These extended hours are for inside the establishment.

4. Requirements for Operation of Sidewalk Café. Applicant shall operate its Sidewalk Café consistent with the terms and conditions of its Public Space Management Branch Certification for such space, and shall cause its employees to maintain the Sidewalk Café in a clean and orderly manner, and not to cause or permit storage of any refuse, foodstuffs, perishable or odiferous materials in or adjacent to the Premises. Applicant shall cause the area extending from the front door(s) to the curb in front of the Establishment to be regularly swept, power-washed, and shall remove litter and debris on not less than a daily basis, weather permitting.

5. Recyclable waste

Applicant agrees to adhere to the following conditions with respect to trash management, disposal, and the sanitary maintenance of exterior trash storage area.

- a. Garbage shall be collected 3 times per week and recycling a minimum of 3 times per week (or such more frequent schedules as may be necessary to prevent the receptacles from exceeding their capacity);
- b. Applicant will ensure timely waste disposal that is the least disruptive to the neighbors. Garbage, recyclable, and grease collections shall not occur before 7:00 a.m. or after 10:00 p.m. No glass shall be placed in any exterior receptacle nor otherwise disposed after 10:00 p.m. or before 7:00 a.m. Any glass material needing to be recycled or otherwise disposed between 10:00 p.m. and 7:00 a.m. shall be stored inside Applicant's establishment until at least 7:00 a.m. the following day.
- c. Applicant shall, when available, utilize and maintain rodent proof waste and trash containers with sufficient capacity to store all non-grindable garbage and recyclable trash and non-recyclable waste in the side trash area of the Premises. Further, Applicant shall use its best efforts to store grease in a receptacle designed to store grease in the interior of the Premises.
- d. Applicant shall not store or place any kegs, foodstuffs, or other consumable goods of any type in the rear of the Premises or on the public alley. No waste of any type shall be placed on or against the abutting property;
 - a. Applicant shall ensure that all grease is placed in a secure well-maintained container inside the Premises where possible.
 - b. Any receptacle for recyclables or restaurant supplies such as linens, kegs or firewood will be placed such that it does not encroach on the abutting property owners. Applicant shall ensure that no recyclable waste is placed outside the establishment other than in a fully-closed receptacle. Applicant shall ensure that the lids or doors on all receptacles are fully closed at all times.
 - c. All receptacles (for garbage, grease and recyclables) shall be secured with lids (as per their design), including while maintained in exterior receptacles and while being hauled to and from sanitation trucks. Applicant shall not place waste in any waste receptacle in any manner that would prevent the full closure of the receptacle.

- d. Garbage, grease and/or recycling spills shall be cleaned up as soon as practicable after they occur, but in no event more than two (2) hours after such spill. Any leak or spillage of grease shall be promptly cleaned utilizing standard industry practices such as solvents and power washing for such uncontained grease;
- e. All receptacles used for garbage, recyclables, and grease shall be maintained in good repair, safe and sanitary condition and any damaged or leaking containers shall be promptly repaired or replaced;
- f. Applicant will daily check the alley and full area behind the Premises and pick up or hose down any debris or liquid waste left behind after garbage, grease or recycling receptacles have been emptied;
- g. Applicant shall power wash all receptacles, any adjacent waste enclosure, and the adjacent alleyway no less often than once every month. No power-washing shall take place between the hours of 7:00 p.m. and 9:00 a.m. on weekdays or 7:00 p.m. and 12:00 noon on weekends;
- h. Applicant shall cooperate and permit inspection of the Premises as may be reasonable pursuant to ABRA regulations or as may be reasonably requested by any authorized District of Columbia governmental entity;
- i. Applicant is encouraged to join in any coordinated effort with the adjacent tenants to address any rodent issues regardless of the source of such issues; and

6. Noise Mitigation. No objectionable noises, sounds, odors, or other conditions that are publicly observable or emitted beyond the immediate proximity of the Premises will be created by Applicant. Applicant will strictly comply with D.C. Official Code § 25-725 and to that end shall make architectural improvements to the property and take all necessary actions to ensure that music, noise and vibration from the Establishment are not audible outside the establishment at any time. Applicant agrees to keep its doors and windows closed when music is being played at the establishment. However, it is understood by the parties that Applicant may open its window panels, and that music may be played at such times at a level not audible beyond the street curbside. If necessary, Applicant will take reasonable steps to reduce noise emanating from the Establishment from the opening of the entry or exit doors.

Applicant will take all reasonable steps necessary to mitigate noise emanating from mechanical equipment associated with Applicant's operations (e.g. HVAC, grease fan) -- including installing sound absorbing and dampening material around the equipment, if necessary -- to comply with applicable DCMR provisions, prevent an increase in existing sound level from such equipment, and minimize or abate noises objectionable to residential neighbors.

7. Sanitation and Pest Control. Applicant shall maintain in force a contract for regular and recurring application of a plan for pest control that includes baiting or similar rodent abatement procedures abutting the rear entrance to the Premises. Applicant shall not store or place any kegs, bottles, foodstuffs, pallets of materials, or other consumable goods of any type outside the Premises. Applicant shall provide rat and vermin control for its property. Applicant shall provide proof of its rat and vermin control contract and of regular inspection and treatment pursuant to such contract, upon request from the Board. Applicant shall maintain property and take landscaping steps, such as removing thick ground cover, trimming bushes, closing rat holes, and using pond stones where needed, to reduce habitat for rats and vermin.

8. Restrictions on Use of Points for Access/Egress. In no event will Applicant encourage or permit commercial third party vendors to park a delivery truck in the public alley at the rear of the Premises between the hours of 10:00 p.m. and 7:00 a.m. Applicant will notify commercial delivery vendors about the above prohibition.

9. Security Cooperation in Stemming Loitering and Illegal Drugs. Applicant shall to the full extent permissible by law discourage loitering in the vicinity of the Premises. Applicant agrees to monitor for and prohibit sales or use of illegal drugs within or about the Premises and maintain contact and cooperate with MPD and other enforcement officials when known or suspected drug activities occur.

10. Compliance with ABRA Regulations. Applicant will ensure that it abides by ABRA, Department of Consumer and Regulatory Affairs (DCRA), Department of Health (DOH), Department of Public Works (DPW) and other applicable DC Agency regulations regarding (a) conduct of its business and (b) the ownership of the license and all other provisions applicable to liquor licenses. Violations of DC Agency regulations shall constitute a violation of this Agreement.
