SETTLEMENT AGREEMENT BY AND BETWEEN
ADVISORY NEIGHBORHOOD COMMISSION 6B

and

Mr. Henry's, Inc.
d/b/a Mr. Henry's

Pursuant to this Settlement Agreement, ("Agreement"), by and between Mr. Henry's, Inc. (d/b/a Mr. Henry's) ("Applicant") and Advisory Neighborhood Commission 6B ("ANC6B"), effective as of the date of its adoption by ANC6B, the parties hereto hereby agree to be legally bound by the terms and conditions of this Settlement Agreement (SA) as it relates to conduct of business located at 601 Pennsylvania Avenue, SE, Washington, DC 20003 ("Premises").

WHEREAS, Applicant has applied before the District of Columbia Alcoholic Beverage Regulatory Administration ("ABRA") to effect, and is seeking its approval of, a renewal of its Retailers' Class "C" Restaurant License (ABRA-000259) ("License"); and,

WHEREAS, Applicant and ANC6B are desirous of voluntarily entering into and mutually memorialize in this SA the terms and conditions upon which ANC6B has agreed to support Applicant's License, pursuant to the provisions of D.C. Code § 25-446, for the operation and maintenance of Applicant's business at the Premises in such a manner as to further promote the peace, order and quiet of the neighborhood as well as maintain security and sanitation of the alley immediately behind the Premises; and,

WHEREAS, this is intended to replace in its entirety any and all previously-existing Settlement Agreements between the Parties, and all such previous agreements are hereby declared superseded, null and void and of no further effect.

NOW, THEREFORE, Applicant and ANC 6B agree as follows:

1. Recitals Incorporated. The recitals set forth above are incorporated herein by reference.
2. Nature of the Business. Applicant will manage and operate a full-service seated restaurant ("Establishment") at the Premises. Applicant currently seeks a total seating for up to 202 patrons, inclusive of 148 indoor seating and 54 sidewalk café seating. In no event shall Applicant operate or seek to operate the Establishment in excess of the maximum number of patrons that may lawfully occupy the Premises pursuant to its Certificate of Occupancy.

3. Hours of Operation, Sales, and Entertainment. Applicant's hours of operation and alcoholic beverage sales may be changed from time to time in Applicant's discretion, as may be otherwise permitted by its License, but in no event shall exceed or extend beyond the following:

Applicant's hours of Operation shall be as follows:

Provided, however, that (1) on days designated by the DC ABC Board as “extended Hours for ABC Establishments,” Applicant may serve alcoholic beverages for one additional hour; (2) in the event the Council of the District of Columbia or the ABC Board grant licenses in general extended operating hours for particular event(s), Applicant may avail itself of such extended hours; and, (3) on January 1 of each year Applicant may serve alcoholic beverages and provide entertainment until 3 a.m. Applicant must submit, as required by regulation, any forms or document to the authorizing agency for such extended hours. These extended hours are for inside the establishment and permit live entertainment.

Entertainment: Upon approval by ABRA, Applicant may provide live entertainment during the following hours:

Monday through Friday:	4:00 p.m. to 12:00 a.m. (midnight)
Saturday:	10:00 a.m. – 12:00 a.m. (midnight)

4. Requirements for Operation of Sidewalk Café. Applicant shall operate its Sidewalk Café consistent with the terms and conditions of its Public Space Management Branch Certification for such space, and shall cause its employees to maintain the Sidewalk Café in a clean and orderly manner, and not to cause or permit storage of any refuse, foodstuffs, perishable or odiferous materials in or adjacent to the Premises. Applicant shall cause the area extending from the front door(s) to the curb in front of the Establishment to be regularly swept, power-washed, and shall remove litter and debris on not less than a daily basis, weather permitting. Applicant shall provide exterior receptacles for extinguishing and disposing of smoking materials, and such supplemental refuse disposal receptacles as may be reasonably required to contain and minimize public disposal of waste and litter originating from the Premises.

5. Refuse Storage and Disposal. Applicant shall comply with DCMR 21-704.3-704.5 by utilizing and regularly maintaining one or more food waste (garbage) grinder(s) adequate in capacity to dispose of all readily grindable food wastes produced. Non-recyclable waste and recyclable trash (glass, plastic, cardboard and metal cans that have been rendered free to organic materials) shall be disposed of in sealed bags that are placed in appropriate receptacles capable of being sealed with closing lids and otherwise designed for that purpose.

Applicant shall utilize and maintain rodent proof waste and trash containers at the rear of the Premises with sufficient capacity to store all non-grindable garbage and recyclable trash and non-recyclable waste.

Applicant agrees to adhere to the following conditions with respect to trash management, disposal, and the sanitary maintenance of any exterior storage area.

- a. Garbage shall be collected on a schedule as may be necessary to prevent the receptacles from exceeding their capacity;
- b. Applicant will ensure timely waste disposal that is the least disruptive to the neighbors. Garbage, recyclable, and grease collections shall not occur before 7:00 a.m. or after 10:00 p.m. No glass shall be placed in any exterior receptacle nor otherwise disposed after 10:00 p.m. or before 7:00 a.m. Any glass material needing to be recycled or otherwise disposed between 10:00 p.m. and 7:00 a.m. shall be stored inside Applicant's establishment until at least 7:00 a.m. the following day.
- c. Applicant shall not store or place any kegs, foodstuffs, or other consumable goods of any type in the rear of the Premises or on the public alley.
- d. Applicant shall ensure that no recyclable waste is placed outside the establishment other than in a fully-closed receptacle. Applicant shall ensure that the lids or doors on all receptacles are fully closed at all times.
- e. All receptacles (for garbage, grease and recyclables) shall be secured with lids (as per their design), including while being hauled to and from sanitation trucks. Applicant shall not place waste in any garbage or trash receptacle in any manner that would prevent the full closure of the receptacle.
- f. Garbage, grease and/or recycling spills shall be cleaned up as soon as practicable after they occur. Any leak or spillage of grease shall be promptly cleaned utilizing standard industry practices such as solvents and power washing for such uncontained grease;
- g. All receptacles used for garbage, recyclables, and grease shall be maintained in good repair, safe and sanitary condition and any damaged or leaking containers shall be promptly repaired or replaced;
- h. Applicant will daily check the alley and full area behind the Premises and pick up or hose down any debris or liquid waste left behind after garbage, grease or recycling receptacles have been emptied;
- i. Applicant shall power wash all receptacles, any adjacent waste enclosure, and the adjacent alleyway no less often than once every two weeks. No power-washing shall take place between the hours of 7:00 p.m. and 9:00 a.m. on weekdays or 7:00 p.m. and 12:00 noon on weekends;
- j. Commercial trash pick up in residential areas takes place between 7 a.m.-7p.m. Applicant shall not allow for its trash to be picked up outside of those hours.
- k. Applicant shall cooperate and permit inspection of the Premises, as may be reasonable pursuant to ABRA regulations or as may be reasonably requested by any authorized District of Columbia governmental entity;
- l. Applicant is encouraged to join in any coordinated effort with the adjacent tenants to address any rodent issues regardless of the source of such issues.

6. Noise Mitigation. No objectionable noises, sounds, odors, or other conditions that are publicly observable or emitted beyond the immediate proximity of the Premises will be created by Applicant. Applicant will strictly comply with D.C. Official Code § 25-725 and to that end shall take all necessary actions to ensure that music, noise and vibration from the Establishment are not disturbing neighbors. It is understood by the parties that Applicant may open its window panels, and that music may be played at such times at a level not audible beyond the street curbside. If necessary, Applicant will take reasonable steps to reduce noise emanating from the Establishment from the opening of the entry or exit doors.

Applicant will take all reasonable steps necessary to mitigate noise emanating from mechanical equipment associated with Applicant's operations (e.g. HVAC, grease fan) -- including installing sound absorbing and dampening material around the equipment, if necessary -- to comply with applicable DCMR provisions, prevent an increase in existing sound level from such equipment, and minimize or abate noises objectionable to residential neighbors.

Applicant specifically agrees that it shall adhere to and be accountable under the provisions of D.C. Code §25-725 as it pertains to residential dwellings in the contiguous physical block on which the Premises are located (except for those residential dwellings located within the CHC/C2A overlay), notwithstanding the fact that such neighboring residential units may not fall within the zoning classification otherwise entitled to enforcement of that provision under D.C. Code §25-725(b)(3). Noise mitigating actions may include installation of sound absorbing and sound dampening materials on the roof between the HVAC and kitchen equipment and the residential properties along the rear of the Premises. Sound absorbing and dampening material will be sufficient to reduce noise to levels that meet DCMR noise regulations at the rear property line.

7. Odor and Emission Control. Applicant shall ensure that regularly scheduled maintenance and cleaning of exhaust hoods, fans and vents are undertaken in accordance with manufacturer's specifications for the type and amount of cooking undertaken. Applicant will also clean and/or exchange the filters as often as necessary to ensure optimal grease and particulate removal and odor mitigation for the type and quantity of cooking undertaken. Applicant will deter staff from smoking in front of the abutting neighbor's property.

8. Sanitation and Pest Control. Applicant shall maintain in force a contract for regular and recurring application of a plan for pest control that includes baiting or similar rodent abatement procedures abutting the rear entrance to the Premises. Applicant shall not store or place any kegs, bottles, foodstuffs, palettes of materials, or other consumable goods of any type outside the Premises. Applicant shall provide rat and vermin control for its property. Applicant shall provide proof of its rat and vermin control contract and of regular inspection and treatment pursuant to such contract, upon request from the Board. Applicant shall maintain property and take landscaping steps, such as removing thick ground cover, trimming bushes, closing rat holes, and using pond stones where needed, to reduce habitat for rats and vermin.

9. Security Cooperation in Stemming Loitering and Illegal Drugs. Applicant shall to the full extent permissible by law discourage loitering in the vicinity of the Premises. Applicant agrees to monitor for and prohibit sales or use of illegal drugs within or about the Premises and maintain contact and cooperate with MPD and other enforcement officials when known or suspected drug activities occur.

10. Compliance with ABRA Regulations. Applicant will ensure that it abides by ABRA, Department of Consumer and Regulatory Affairs (DCRA), Department of Health (DOH), Department of Public Works (DPW) and other applicable DC Agency regulations regarding (a) conduct of its business and (b) the ownership of the license and all other provisions applicable to liquor licenses. Violations of DC Agency regulations shall constitute a violation of this Agreement.
