5. ATTESTATION

By submitting this letter of intent, I understand that:

- Failure to complete all required information will result in my Letter of Intent Form being considered non-responsive and I will not be eligible to move forward in the medical cannabis application process.
- This document does not require me to submit an application.
- Only the individuals and entities that timely submit the Letter of Intent and receive a letter of acceptance from the Alcoholic Beverage Regulation Administration (ABRA) shall be permitted to submit an application for a medical cannabis facility registration.
- Letters of Intent Forms submitted to ABRA and letters of acceptance issued by the ABRA are not assignable or transferable.
- The United States Congress has determined that marijuana is a controlled substance and has placed marijuana in Schedule I of the Controlled Substance Act. Growing, distributing, and possessing marijuana in any capacity, other than as a part of a federally authorized research program, is a violation of federal laws. The District of Columbia's law authorizing the District's medical cannabis program will not excuse any person from any violation of the federal laws governing marijuana or authorize any registrant to violate federal laws.
