(4:28 p.m.)

MS. PRICE: Hi.

CHAIRPERSON MILLER: Hello. All right, you are here early I see. Okay, so --

COURT REPORTER: Chair, your mic.

MS. PRICE: I am Stacey, I am the Executive Director of Think Local First. The organization that is sponsoring the event that Meridian Pint is partnering.

CHAIRPERSON MILLER: What's the name of your organization?

MS. PRICE: Think Local First D.C.

CHAIRPERSON MILLER: Oh, I see it. Think Local First D.C., Farm-to-Street Party.

MS. PRICE: Yes.

CHAIRPERSON MILLER: Okay. I'm sorry, I didn't mean to interrupt you. And Mr. Ghenene is here with us as well, our investigator. Your organization, is it called Think Local First D.C., that's the whole name? Or is the Party part of the name?

1 MS. PRICE: Nope it's Think Local
2 First D.C. We're a non-profit organization
3 that's been around for about seven years in
4 the city.

5 CHAIRPERSON MILLER: Great, okay.

6 I'm sorry, and what's your organization?

7 MR. ANDRADE: My name is --

8 CHAIRPERSON MILLER: Meridian
9 Pint?

10 MR. ANDRADE: My name is John
11 Andrade, I own Meridian Pint restaurant, as
12 well as Smoke & Barrel restaurant.

13 CHAIRPERSON MILLER: Okay, great.

14 MR. ANDRADE: I am the licensee,
15 the ABC license holder that is participating
16 in the event.

17 CHAIRPERSON MILLER: Okay. Do you
18 want to tell us just a little overview of the
19 event?

20 MS. PRICE: Right.

21 CHAIRPERSON MILLER: Which is
22 this, which is the 27th?

1 MS. PRICE: It's this Saturday.

2 CHAIRPERSON MILLER: Okay. Yes.

3 MS. PRICE: The 27th. So this is
4 the third year we've had the event. We've in
5 the past closed off the 13th to 14th block of
6 V Street. So my organization supports
7 independently owned businesses in D.C. We say
8 that we lead the local movement.

9 This is one, Eat Local, first week
10 is one of our campaigns that we do throughout,
11 Eat Local First is one of our campaigns. Eat
12 Local First week, is a week that celebrates it
13 each year. This is the third year we've done
14 it. It always ends in a Farm-To-Street Party.

15 This year we've moved our event to
16 Union Market. It's from 1 to 7, there will be
17 approximately 100 vendors on site.

18 Restaurants and local food producers, and some
19 MADE in D.C., products.

20 This year we have a drink local
21 area that Meridian Pint is co-sponsoring with
22 us, and we have a demonstration stage where

1 local food is being made all day. Education
2 around local sourcing, farms, farm-to-table,
3 farm-to-product.

4 CHAIRPERSON MILLER: So you have
5 your list of vendors final, right?

6 MS. PRICE: Yes.

7 CHAIRPERSON MILLER: So how many
8 vendors do you have.

9 MS. PRICE: We have approximately
10 100. Somewhere in between 80 and 100.

11 CHAIRPERSON MILLER: Okay. And
12 are you selling tickets?

13 MS. PRICE: Yes, so it's a
14 suggested donation to get in the door.

15 CHAIRPERSON MILLER: Oh, okay.

16 MS. PRICE: And then everybody is
17 doing their own commerce this year.

18 MEMBER ALBERTI: What does that
19 mean?

20 MS. PRICE: Meaning every, in the
21 past, we have taken a percentage. We've sold
22 tickets, kind of like other events and then

1 reimbursed our vendors a percentage of the
2 ticket costs. Everybody is taking care of
3 their own vending this year.

4 MEMBER ALBERTI: Oh, okay.

5 MS. PRICE: So we're taking a
6 donation to come in, but then everything that
7 happens on the site, is up to the individual
8 businesses that are there.

9 CHAIRPERSON MILLER: So are there
10 some shared costs? For instance we ask about
11 like security, with respect to the alcohol and
12 stuff. Is that just related to the alcohol,
13 or is there going to be some shared costs on
14 security?

15 MS. PRICE: What do you mean
16 shared costs?

17 CHAIRPERSON MILLER: Are you going
18 to have police, or security?

19 MS. PRICE: Oh, yes. We have.

20 CHAIRPERSON MILLER: For
21 everybody, I mean it's not just individual?

22 MS. PRICE: Yes. No, it's, no

1 it's, we as the organization incur all the
2 cost. We put on the event, so you'll see, I
3 think by your advice or demand, we have 5
4 police officers and 10 security guards. We
5 also have 75 Think Local First volunteers
6 there throughout the day also, you know,
7 engaged in policing the site.

8 CHAIRPERSON MILLER: The 75
9 volunteers, who do they report to? You? You,
10 okay.

11 MS. PRICE: Think Local First.

12 CHAIRPERSON MILLER: Okay. So
13 let's, so we're mainly in just in the alcohol
14 part, say okay. So how does that relate to --

15 MR. ANDRADE: So we're working
16 collaboratively on it. So it's in fact, it's
17 a police as well as the security, the hired
18 security firm, as well as the volunteers are
19 policing not only the alcohol consumption, but
20 just the general, the overall welfare of all
21 the participants.

22 So they are actively keeping an

1 eye on anybody that may be consuming any
2 alcoholic beverages without a wrist band. As
3 well as paying attention to those that are,
4 what their potential intoxication level is.
5 And anything related to alcohol, they report
6 to me directly.

7 Anything related to general
8 safety, you know, vending concerns. I don't
9 have electricity or you know, I don't have
10 enough space in my booth. They'll be
11 reporting to Stacey.

12 CHAIRPERSON MILLER: How many
13 places will alcohol be sold there?

14 MR. ANDRADE: One.

15 CHAIRPERSON MILLER: Just one?
16 Okay.

17 MR. ANDRADE: Everything is
18 consolidated under one tent. And all of our
19 servers are all under that same tent.

20 MEMBER ALBERTI: Then none of the
21 restaurant vendors will be sending their own,
22 alcohol?

1 MS. PRICE: Nope. Only food.

2 MEMBER ALBERTI: Okay.

3 CHAIRPERSON MILLER: And what kind
4 of alcohol are you serving?

5 MR. ANDRADE: Beer.

6 CHAIRPERSON MILLER: Beer, just
7 beer? That's it?

8 MS. PRICE: Local beer.

9 CHAIRPERSON MILLER: Local beer.
10 Okay.

11 MR. ANDRADE: And that's, that was
12 the primary purpose of her commissioning us to
13 become partners with them, is our continued
14 focus and effort to maintain local
15 relationships with not only our food
16 purveyors, but our beverage purveyors. And we
17 strive to be as local as possible when it
18 comes to our business. So it became a perfect
19 relationship.

20 CHAIRPERSON MILLER: Great. So
21 how are the wrist bands going to work that you
22 were referring to?

1 MR. ANDRADE: For the wrist bands,
2 there will be one specific area where
3 everybody if they were to purchase alcohol,
4 needs to get their ID checked first. And we
5 will have two persons that are physically
6 putting wrist bands on. Two persons that are
7 physically checking IDs.

8 And then we'll have at least one
9 of the police officers stationed in the
10 immediate vicinity of that. As well as one of
11 the security guards. As well as either myself
12 or one of my managers as the ABC licensed
13 managers.

14 From that point on, then they are
15 allowed with a wrist band to purchase the
16 tickets for beer, and then they go straight up
17 to the tent to transact with the ticket.

18 CHAIRPERSON MILLER: So how many
19 people are going to be checking for IDs?

20 MR. ANDRADE: We'll have two
21 people checking IDs. Two people putting wrist
22 bands on. One ABC manager, one police

1 officer, and well the one police officer will
2 be in the immediate vicinity. And one hired
3 security person will be in the immediate
4 vicinity.

5 CHAIRPERSON MILLER: And what's
6 the training of the people checking?

7 MR. ANDRADE: They've all been,
8 they are all licensed ABC managers.

9 CHAIRPERSON MILLER: Okay. Great.
10 Do you know how many people you expect?

11 MS. PRICE: A 1000.

12 CHAIRPERSON MILLER: Is that what
13 you got last year, or a little more than?

14 MS. PRICE: It's more than we had
15 last year.

16 CHAIRPERSON MILLER: Okay. And
17 how does the security compare to this, last
18 year, to this year.

19 MS. PRICE: Last year we had 3
20 police officers and probably 25 volunteers.
21 Probably somewhere between 25 and 50
22 volunteers. I think you guys required us to

1 have 25 volunteers.

2 CHAIRPERSON MILLER: What do you
3 mean by volunteers?

4 MS. PRICE: Volunteers, the people
5 that support me and my organization. That are
6 on staff with volunteer T-shirts on. That was
7 something you guys allowed, had allowed us to
8 do in the past.

9 Is have our volunteers be policing
10 the site along with security. But the
11 security detail for this particular event is
12 quadruple, if not five times larger than the
13 last one on 14th street.

14 CHAIRPERSON MILLER: Larger than
15 what, on 14th street?

16 MS. PRICE: Yes, when we, the past
17 two years when we've done it --

18 CHAIRPERSON MILLER: Oh, the past
19 two years.

20 MS. PRICE: We've only had to hire
21 4 police officers. This year it's five and 10
22 security guards.

1 CHAIRPERSON MILLER: Okay. And
2 why did you increase that?

3 MS. PRICE: We were asked, you
4 guys and --

5 MR. ANDRADE: That was based on
6 ABRA's request.

7 MS. PRICE: Yes.

8 CHAIRPERSON MILLER: Okay. Other
9 question?

10 MEMBER ALBERTI: Yes.

11 CHAIRPERSON MILLER: Okay.

12 MEMBER ALBERTI: Okay, so 5,000, I
13 assuming it's 5,000 all day long? Right?

14 MS. PRICE: Right.

15 MEMBER ALBERTI: So what's sort of
16 the max, you're sense of the max that you can
17 accommodate at one time?

18 MS. PRICE: That particular
19 property, I don't know if you guys are
20 familiar with Union Market, but the largest
21 event they've had there was Crafty Bastards.
22 They had somewhere around 13 to 15,000 people

1 there. In that space, the exact space that
2 we're using.

3 MEMBER ALBERTI: Well, my question
4 is, how large do you expect the crowd to be at
5 any one time?

6 MS. PRICE: We're prepared for
7 5,000 people at one time.

8 MEMBER ALBERTI: So you're
9 prepared for 5,000?

10 MS. PRICE: Absolutely. I'm not
11 sure if it'll be that, but we're prepared for
12 that.

13 MEMBER ALBERTI: Okay, so that's
14 the 5 hired and the 95 volunteers, got you.
15 All right. My, if I remember this place is
16 entirely fenced in. How will you distinguish
17 between alcohol, someone has got an alcohol
18 beverage in their hand and something else?

19 MR. ANDRADE: There are, we are,
20 to purchase the alcohol you have to purchase
21 it in one of distinct glass ware. In one of
22 our distinct glasses, that is not only -- So

1 the only thing that the beer comes in, is a
2 pint glass that is labeled with the logo of
3 the event.

4 MEMBER ALBERTI: Other beverages
5 will be sold?

6 MR. ANDRADE: Other beverages do
7 not come in glassware.

8 MEMBER ALBERTI: Okay, other
9 beverages will be sold how, by glasses or?

10 MR. ANDRADE: By like silo cups.

11 CHAIRPERSON MILLER: The other
12 beverages that are on site, we have a coffee
13 vendor. We have a couple coffee vendors, non-
14 alcoholic beverages. We have bottled water
15 and bottled beverages, bottled sodas, local
16 sodas. I think that there's probably some
17 people sampling in small cups, but I think the
18 only thing that will be served in cups is the
19 beer.

20 MR. ANDRADE: And they're in the
21 actual glass.

22 MS. PRICE: Yes.

1 MEMBER ALBERTI: Okay.

2 MS. PRICE: Definitely in the
3 glass, but I don't even know that we're going
4 to necessarily have cups on site.

5 MEMBER ALBERTI: Can someone get
6 two beers at a time?

7 MR. ANDRADE: Absolutely not.

8 MEMBER ALBERTI: So it's one beer
9 per wrist band?

10 MR. ANDRADE: Correct.

11 MEMBER ALBERTI: Okay. And Allied
12 Barton the security company, are they a
13 licensed company? Are they bonded? You know
14 if the, are they doing the ID checking, just?

15 MR. ANDRADE: Oh, no. My staff is
16 doing the ID checking --

17 MEMBER ALBERTI: Your staff is
18 doing the ID checking? Okay.

19 MS. PRICE: Right.

20 MR. ANDRADE: My staff which is
21 ABC --.

22 MEMBER ALBERTI: And the serving?

1 And the servers?

2 MR. ANDRADE: Yes.

3 MEMBER ALBERTI: Okay. Great.

4 MS. PRICE: That security company
5 services Union Market. And they service every
6 event that goes on in Union Market.

7 MEMBER ALBERTI: Okay. But as
8 long as we have experienced TIPS trained
9 people handling the alcohol side of it.
10 That's where, I'm comfortable with that. Now
11 this event goes until 7 p.m.? When officially
12 does it end for the customers?

13 MS. PRICE: 6:30.

14 MEMBER ALBERTI: So you have a
15 half hour to get everybody out of there?
16 Great. That's all the questions I have.
17 Thank you.

18 CHAIRPERSON MILLER: Others? Well
19 I've still got more. So what happens if more
20 people show up than 5,000? Like the word gets
21 out, this sounds like a great thing, and then
22 --

1 (Crosstalk)

2 MR. ANDRADE: I do not know, I can
3 only speak on behalf of the alcohol dispensing
4 side.

5 CHAIRPERSON MILLER: Yes.

6 MR. ANDRADE: And I will say that
7 one of the reasons that Stacey reached out to
8 us, is because of the organization and how
9 meticulous we are. And the being, you know,
10 prior properly planned. We are planned and
11 prepared for as much as comes at us.

12 And that is one of the things that
13 we do very well. So we're prepared for, you
14 know, if 20,000 people came in. We're, I have
15 the staffing and the contingencies in place to
16 make sure that we can handle anything that
17 comes at us.

18 That said, we don't anticipate
19 more than 5,000, you know, given the capacity
20 that we're expecting and given the promotion
21 that's happened. But we're certainly prepared
22 for any number that comes at us.

1 CHAIRPERSON MILLER: So just to
2 visualize, are you in the Lincoln parking lot
3 area there?

4 MS. PRICE: Yes.

5 CHAIRPERSON MILLER: Everybody has
6 their own marked tables?

7 MS. PRICE: Yes, sir. I don't
8 know if you're --

9 CHAIRPERSON MILLER: But their
10 alcohol is a tent? Or no?

11 MS. PRICE: Yes, there's, there's
12 so if you look at the site plan, it, the
13 parking lot is pretty much a square. I don't
14 know the exact dimension of that square, but
15 you'll walk in. It's all fenced in, you walk
16 in and then there's a 120 by 30 tent, that you
17 check in.

18 And then you walk further and
19 there's a stage, and where all the loud
20 demonstrations are going. There's two large
21 tents where the MADE in D.C. market place are.

22 The main food vendors run around

1 the perimeter. Around the square, closest to
2 the fencing. And the beer tent, where you
3 will acquire beer and the tickets and wrist
4 bands, is near the back of the lot.

5 CHAIRPERSON MILLER: Okay. So if
6 you did get more than 5,000 people they could
7 fit. It's not that, that wouldn't be the
8 problem?

9 MS. PRICE: No. No.

10 CHAIRPERSON MILLER: Okay.

11 MS. PRICE: The fitting's not the
12 problem.

13 CHAIRPERSON MILLER: Okay. Good,
14 all right. Mr. Ghenene, do you have any?

15 MR. GHENENE: Thank you. Yes,
16 ma'am. Is the Union Market going to be open
17 on the inside that day?

18 MS. PRICE: Yes.

19 MR. GHENENE: Okay. So your ID
20 check, I'm sorry your admissions booth is
21 actually going to be inside of the fence?

22 MS. PRICE: Yes. It's going to

1 block the, block the entrance into the fenced
2 in area.

3 MR. GHENENE: I understand. Okay.
4 And that leads me to my next question. I am
5 aware that there's a licensed summer garden
6 that is adjacent to the fence, that sits on I
7 guess, that's the north side of the parking
8 lot?

9 MS. PRICE: Yes.

10 MR. GHENENE: What are you guys
11 going to do, to control the flow of customers
12 that come from, that want to go back and
13 forth? Because you guys are only providing
14 beer, but I know that, that area they provide
15 liquor.

16 MS. PRICE: Right.

17 MR. GHENENE: And hard, obviously
18 hard spirits?

19 MS. PRICE: Yes. I mean, we --

20 MR. GHENENE: So what are you guys
21 going to do about that?

22 MS. PRICE: We have our ten

1 security guards as well our police. And you
2 know, I'll let John speak to the alcohol
3 component of that, but just in terms of
4 policing the people.

5 We definitely have considered that
6 as a potential bottleneck. And in, in even in
7 getting in. And so we have our volunteers
8 scheduled around there, kind of directing
9 people in and out, as well as security
10 individuals concentrated in that area.

11 MR. GHENENE: Okay.

12 MR. ANDRADE: From the alcohol
13 standpoint, no beverages in, no beverages out.

14 MR. GHENENE: Okay.

15 MR. ANDRADE: Outside of, you
16 know, whatever these coffee cups, or whatever
17 that may be.

18 MR. GHENENE: Okay. And are you
19 guys working with the tenants of Union Market?

20 MS. PRICE: Yes, in fact a lot of
21 them have booths, separate booths outside as
22 well as inside.

1 MR. GHENENE: Okay.

2 MS. PRICE: This is a joint
3 partnerships with Union Market.

4 MR. GHENENE: So, I guess that's
5 to go back to the point that you guys just
6 brought up, is a potential bottle neck and to
7 illustrate for the Board, you're going to have
8 to walk through somebody's summer garden on
9 both sides.

10 It's almost like the midpoint
11 through one particular licensee's summer
12 garden, in order to enter the event. So it's
13 conceivable that the line could wrap around a
14 summer garden, kind of cutting it off from
15 allowing patrons to enter or exit?

16 MEMBER ALBERTI: Where is that
17 summer garden? On this map? And where's this
18 sort of street that --

19 MR. GHENENE: Yes. It's on the
20 bottom portion of the street.

21 MEMBER ALBERTI: Oh, it's on the
22 south side of the street?

1 MR. GHENENE: Yes. It is on both
2 sides of actually. But the one on the north
3 side of the street, or the top of the street,
4 that's a summer garden that is shared by
5 several licensees.

6 MR. ANDRADE: Right.

7 MR. GHENENE: Most of the
8 licensees within Union Town, or Union Market.
9 But on the bottom half of the street, there is
10 only one licensee who's entitled to use that
11 space.

12 MEMBER ALBERTI: I wasn't aware of
13 that one with the bottom half, the south side.
14 Okay.

15 MR. ANDRADE: So the lines are
16 going to be controlled along the perimeter
17 fencing. On that we're certainly going to be
18 doing that we can to control the line.
19 Whether it be through verbal communication, or
20 stanchions of some sort. But there's no doubt
21 that those lines have to stay controlled along
22 the fencing.

1 We have no intention of allowing a
2 sort of malay of people just crowding in,
3 trying to jam in and consuming other
4 neighboring business's summer garden.

5 MR. GHENENE: Okay.

6 MR. ANDRADE: It's, you know, I
7 know that I speak on behalf of Stacey as well
8 as myself, that this whole project is an
9 effort to showcase all local business, and as
10 well as benefit the local business.

11 So anything that we can do to
12 benefit the businesses in Union Market, is
13 beneficial to us as well. And so helping them
14 maximize their potential from this is as
15 critical as maximizing our potential.

16 MR. GHENENE: Okay. And I guess
17 specifically have you spoken with the
18 ownership of Buffalo & Bergen?

19 MS. PRICE: Yes.

20 MR. GHENENE: Okay. And they're
21 comfortable with what you guys are doing?

22 MS. PRICE: Absolutely.

1 MR. GHENENE: As far as the --
2 Okay. And that's who's summer garden is being
3 affected.

4 You answered that. Are you guys
5 going to be using clickers to count the amount
6 of patrons coming in and out?
7 And then when you get to 5,000 is that when
8 you guys are going to?

9 CHAIRPERSON MILLER: Did you get a
10 yes on that on the record?

11 MS. PRICE: What, the clickers?

12 CHAIRPERSON MILLER: It looked
13 like a nod, but I don't think, but I think you
14 should probably put a yes on the record.

15 MS. PRICE: Yes. Yes.

16 CHAIRPERSON MILLER: Okay.

17 MR. GHENENE: And I guess I would
18 assume that once you guys are getting close to
19 that, if you guys, hopefully you will, get
20 close to that 5,000 number. That's when
21 you're going to start increasing security?

22 MS. PRICE: Right.

1 MR. GHENENE: Okay. And sir,
2 you're the only alcohol vendor, correct?

3 MR. ANDRADE: That's correct.

4 MR. GHENENE: Oh, and is there any
5 entertainment being offered?

6 MS. PRICE: There is a, we have a
7 stage that we have live demonstrations going
8 on all day.

9 MR. GHENENE: Okay.

10 MS. PRICE: And we have three
11 bands that will perform.

12 MR. GHENENE: Okay.

13 MS. PRICE: During that time. At
14 1 o'clock, 3 o'clock and 5 o'clock. Small 30
15 minute sets.

16 MR. GHENENE: Okay. And these are
17 local bands?

18 MS. PRICE: Yes.

19 MR. GHENENE: Okay.

20 MS. PRICE: Yes. We also have a
21 local music campaign.

22 MR. GHENENE: What kind of music

1 is it?

2 MS. PRICE: It's indie rock, we
3 have the Dupont jazz people, you know, the
4 people that play at the Metro.

5 MR. GHENENE: Rock bands and
6 stuff?

7 MS. PRICE: Not. A mix of genres.

8 MR. GHENENE: I got you. Okay.
9 And have you guys spoken with anybody from the
10 college, because you guys are so close?

11 MS. PRICE: Yes. We're actually
12 using their parking garage.

13 MR. GHENENE: Okay. So they're --

14 MS. PRICE: They're partners of
15 ours as well.

16 MR. GHENENE: They're aware. All
17 right.

18 MS. PRICE: Yes. We play with
19 everybody.

20 MR. GHENENE: I got you. And --

21 MS. PRICE: It's local.

22 MR. GHENENE: Finally, after the

1 event is over with, are you allowing people to
2 leave the parking lot and leave the event with
3 their glasses? Or whenever they want to
4 leave, they've got these glasses, are they
5 allowed to, is that a keepsake? Or are you
6 collecting them?

7 MR. ANDRADE: Yes, empty only.

8 MR. GHENENE: Okay. That's all
9 I've got.

10 MR. ANDRADE: And that means, just
11 to be clear. That means no beverages in that
12 glass, even if they refill it with a bottle of
13 water. I'm sorry, I don't know what's in that
14 glass. I need that glass to be empty before
15 you leave here.

16 CHAIRPERSON MILLER: Great.

17 MR. GHENENE: I'm sorry, I have
18 one more.

19 CHAIRPERSON MILLER: Great. Okay.

20 MR. GHENENE: Have you guys been
21 in contact with DCRA?

22 MS. PRICE: Yes.

1 MR. GHENENE: You guys have?

2 MS. PRICE: Yes. Why do you ask?

3 I mean like every day for the last --

4 MR. GHENENE: Since it's on
5 private property, that's why I was asking.

6 MS. PRICE: Yes. No, absolutely,
7 we just, I just finished up all my stuff,
8 LaVerne's entering it all in.

9 MR. GHENENE: Okay.

10 CHAIRPERSON MILLER: We're your
11 last stop then?

12 MS. PRICE: What's that? Oh, you
13 are our last stop.

14 CHAIRPERSON MILLER: Okay. Good.

15 MR. ANDRADE: Thank goodness.

16 CHAIRPERSON MILLER: Okay. Any
17 other questions?

18 MR. GHENENE: No.

19 CHAIRPERSON MILLER: All right.

20 MEMBER ALBERTI: I just signed
21 here.

22 CHAIRPERSON MILLER: You just

1 signed off on it?

2 CHAIRPERSON MILLER: Awesome.

3 Thank you.

4 CHAIRPERSON MILLER: That sounds
5 great.

6 MEMBER ALBERTI: Good luck.

7 MS. PRICE: Yes, come out and join
8 us.

9 (Crosstalk)

10 MS. PRICE: I'm about to go give
11 money to three local businesses tonight. We
12 have whole week full of events and --

13 MEMBER ALBERTI: Good.

14 MS. PRICE: So I'm heading to the
15 Heurich House Museum in Dupont, and I'm giving
16 three scholarships to three women leading the
17 food movement.

18 MEMBER ALBERTI: Excellent.

19 CHAIRPERSON MILLER: That's great.

20 MEMBER ALBERTI: Excellent, very
21 good.

22 CHAIRPERSON MILLER: Have fun.

1 MR. ANDRADE: Thank you so much.

2 MS. PRICE: Thank you.

3 MEMBER ALBERTI: Good luck.

4 (Crosstalk)

5 MEMBER ALBERTI: Mr. Ghenene?

6 CHAIRPERSON MILLER: Are we going
7 off the record? Oh.

8 (Off the record comments)

9 CHAIRPERSON MILLER: Okay, I think
10 that completes our hearings for today.

11 MEMBER ALBERTI: So we will attend
12 to the agenda real quickly?

13 CHAIRPERSON MILLER: So yes, we'll
14 adjourn and be back shortly for the Agenda.

15 (Whereupon, the hearing in the
16 above-entitled matter concluded at 4:50 p.m.
17 prior to the Agenda meeting.)
