Khans BBQ Cooperative Agreement

This Cooperative Agreement is designed to reflect the concerns and issues of Protestants within 300 feet of Khans BBQ, Inc. located at 1125 H Street, N.E. along the H Street, N.E. corridor.

- ❖ As citizens and residents, we recognize that the Applicant has applied for a Class CR license from the Alcoholic Beverage Control Board (ABC), having met the necessary requirements set under the Alcoholic Beverage Regulation Administration (ABRA).
- ❖ As citizens, residents and Protestants, we are concerned about the impact on peace, order and quiet, demand for police, EMS and fire services, public intoxication and urination, rowdiness (intoxicated/impaired, screaming and yelling individuals on public space, people in cars drinking beer enroute to bars), illegal parking (including an over-concentration of establishments where the primary purpose is the consumption of alcohol) by large numbers of patrons in the 1100 - 1400 Blocks of H Street, N.E.
- ❖ In addition, the parking on residential streets has become a worry for fellow residents arriving home anytime after 4pm on any day and weekends become a parking nightmare for residents returning home from their activities.

Now, Therefore, in consideration of the mutual covenants and conditions set forth below the Parties agree as follows:

Made this 1st day of September 2010, by and between; Applicant, Mr. James Lee (Khans BBQ, Inc.) and Helen Wooden, Cherie Mitchell, Lisa Greene, Corrine Davenport, Wilton Madison, Leonice Davenport and Robert Pittman, hereby agree that:

- 1 Khans BBQ, Inc, LLC (hereinafter "Khans") agrees to maintain the exterior areas adjacent to the restaurant including keeping the sidewalk, curbs¹, in accordance with Title 25, D.C. Code Enactment and Related Amendments Act of 2001 (25-726.) The establishment agrees to remove any visible debris from in front of the establishment at closing.
- 2 Khans agrees to comply with Title 25, D.C. Code Enactment and Related Amendments Act of 2001 (25-713) which stipulates, in part, that a licensee is to post notice, maintained in good repair and in a place clearly visible from the point of entry to the establishment, stating: (1) the minimum age requirement for the purchase of alcoholic beverages; and (2) the obligation of the patron to produce a valid identification document displaying proof of age upon request.
- 3 Khans agrees to refuse to serve alcoholic beverages to patrons, who upon request, refuse to produce or cannot produce a valid identification document to verify proof of age. Title 25, D.C. Code Enactment and Related Amendments Act of 2001 (25-101(53)), defines a valid identification document as an official identification issued by an agency of government (local, state, federal or foreign) containing, at a minimum, the name, date of birth, signature, and photograph of the bearer.

¹ Licensee agrees that cigarette buds and small debris will be cleaned up periodically through the course of the hours of operation and at closing or shortly thereafter.

Khans BBQ Cooperative Agreement

- 4 Khans agrees to comply with Title 25, D.C. Code Enactment and Related Amendments Act of 2001 (25-725) which stipulates, in part, that ABC licensees shall not produce any sound, noise, or music of such intensity that it may be heard beyond² the premises (beyond is reasonably applied in this agreement).
 - 4.1 Khans agrees that if doors are used for ventilation purposes, the licensee will recognize that at 10:00 P.M. the establishment shall close the windows and doors on any given night to prevent disturbing residential neighbors. If the establishment has a Brunch, the licensee will ensure that windows and/or doors that are open do not cause sound to spill out.
- 5 Khans agree not to engage in competitive activity³ through music or sound to attract patrons.
- 6 Khans agrees that laser light shows, strobes and A-Frame signs to attract crowds will be prohibited.
- 7 Khans shall ensure that noise will not affect residential neighbors on surrounding streets.
- 8 Sound from inside the establishment should not be audible from the center line of H Street, nor should sound be audible from the rear of the establishment inside the homes of the neighbors in the 700 block of 12th Street, N.E.
- 9 Khans agree to be cognizant of lighting and its effect beyond the premises, including its impact on residents immediately behind the establishment and the impact of signage along the corridor.
- 10 Khans agree to maintain a professional façade, with professionally made and installed signage.
- 11 Khans agree to maintain proper sanitation conditions both outside and on the premise.
 - 11.1 Khans agree that all boxes are collapsed and secured in dumpster with lid always closed. Further, the licensee will make sure that it sanitizes trash to minimize the attraction of rodents and insects. The licensee agrees that all crates and other stackable items are handled appropriately and are never stacked in the alleys.
 - 11.2 Khans agree to maintain contracts with licensed contractors for both for refuse and grease removal.
 - 11.3 Khans agree that the emptying of glass and beer bottles or anything else that makes loud noises will not occur after 12 midnight.
 - 11.4 Khans agree that deliveries will not block alleyways or streets.
 - 11.5 The licensee agrees that in the event there is a crowd in front of the establishment, they will not congregate or block the sidewalks, public streets or alleyways. The licensee agrees to take reasonable steps to remind patrons of the proper decorum, which means no talking loud, yelling or otherwise disturbing residents from restaurant after 10:00 p.m.
 - 11.6 Khans agree to encourage staff and patrons to be respectful of the residential neighborhoods. To the extent possible, the licensee will post a sign directed at patrons about parking and the need to lower voices when coming into the residential communities.

² "Beyond" is reasonably applied; the location in a commercial site, with recorded music or live bands should not be heard standing in the middle of H Street on the yellow line.

³ "Competitive activity" means using music, sound devices or other such methods to attract patrons on the street.

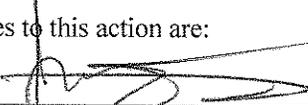

Khans BBQ Cooperative Agreement

- 12 Khans agrees to pursue reasonable efforts, both directly and through communications with the Metropolitan Police Department (1st District) to discourage individuals from congregating or loitering outside of and in areas adjacent to the establishment. The licensee agrees to maintain a log of calls placed to MPD and Emergency Medical Services (EMS), which shall be open to review by the Protestants, public safety and regulatory officials.
- 13 It is agreed that should complaints arise from community members concerning noise or other issues, the licensee shall meet with the Protestants (within 7 days of a request by either party) to develop methods to reduce and/or eliminate sounds that have become noise and address any outstanding problems (meetings may take place via the internet or teleconference and is not limited to a person-to-person contact).
- 14 **The Parties agree to maintain open dialogue to address mutual concerns and provide constructive remedial actions whenever necessary. If any of the Parties believes in good faith that any signatory has failed to comply with any provision of this Cooperative Agreement, that Party shall notify the other in writing of the concern. Both Parties shall make every effort to resolve any outstanding issues before filing a complaint with the ABC Board.**
- 15 The licensee acknowledges that the signatories hereto are Protestants in the pending license Application before the ABC Board of the District of Columbia. All of the Protestants live in the immediate area of the establishment and are personally impacted by the presence of an establishment that serves alcohol.

All Parties have read and mutually agree to the provisions of this document; Therefore the Protestants withdraw its protest of Khan's BBQ, LLC. application for a Class CR license.

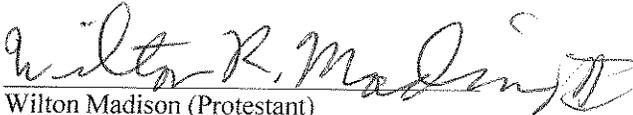

This Cooperative Agreement shall be executed in 3(Three) originals.

Subject: Re: Khan's BBQ - Voluntary Agreement

Dear Ms. Davis,

We have received the suggestion from our ANC 6A's VA for Khan's BBQ and more recently (7-24) for Desperado Pizza. Our comments below apply to both of these VA's. The VA's submitted for each applicant is our standard voluntary agreement. The language in our VA has been used with applicants throughout the ANC, but more particularly, with all applicants for CR/CT licenses along the H Street NE corridor for over six years.

As Chair of the ABL Committee for the ANC during that time, I have worked closely with ABRA and with the ABC Board (including former Chair Chuck Burger and current Executive Director Fred Moosally) to assure cooperation between the agency and our ANC. As an ANC, we respect ABRA management and the Board, and have made modifications to our standard voluntary agreement on numerous occasions based upon ABRA concerns. The process for these changes has been to receive comments directly from the legal department, have them discussed in the ABL committee, and finally have recommended changes presented to the full ANC for a vote. We do not make changes to our VA "on the fly", or without full ANC consideration of those changes. In fact, neither I as Chair of the Committee or Kelvin Robinson as Chair of the Commission have the authority to change language within the standard VA without full ANC approval.

8/3/2010

So, we have concerns about how you have presented your "suggestions" to us. But as importantly, we do not agree with your approach of stripping all language which references DC law, which restates DC law, or which ABRA deems to be unenforceable. We feel strongly that since many applicants are unaware of DC law, there is benefit to stating it in the agreement, and further that there is no harm in stating it. Secondly, you have asked us to strip any references to DC law, such as with valet parking services. The law regarding valet parking needs to be referenced in the VA because these laws (outside the liquor law code) would not necessarily be known or understood by a liquor licensee. Finally, there are provisions of a VA that are enforced by the ANC itself. The enforcement is public pressure, rather than the ability to levy a fine. We can cite numerous instances in which public pressure or negative attention by the ANC has created tremendous leverage in satisfying neighborhood concerns.

So, we feel that if the ABC Board would like to make suggestions regarding our VA, particularly a VA that has been accepted for over six years, that it should be done in a process that does not disadvantage all of those who have signed this agreement, and through a process that includes our entire ANC.

Respectfully,

Mary Beatty
