**Preamble**

Through this agreement, both parties aim to create an environment whereby the applicant may operate as a viable contributing business in the ANC 6A community, while concurrently curtailing any adverse effects a business such as the applicant's could have on the surrounding neighborhood.

The community and merchants understand and agree that the changes imposed upon the operations of all licensees within the ANC as set forth herein are important measures to protect the safety, peace, order and quiet of the neighborhood, its residents, and businesses.

## *Drew's, Inc. Cooperative Agreement*

DISTRICT OF COLUMBIA  
ALCOHOLIC BEVERAGE CONTROL BOARD  
This Cooperative Agreement is designed to reflect the concerns and issues of Protestants within 600 feet of Drew's located at 1245 H Street, N.E. in the Old City1 neighborhood.

- 2009 OCT 21 A 11:18
- ❖ As citizens and residents, we recognize that the Applicant has applied for a Class CR license from the Alcoholic Beverage Control Board (ABC), having met the necessary requirements set under the Alcoholic Beverage Regulation Administration (ABRA).
  - ❖ As citizens, residents and Protestants, we are concerned about the impact on peace, order and quiet, demand for police, EMS and fire services, public intoxication and urination, rowdiness (intoxicated/impaired, screaming and yelling individuals on public space, people in cars drinking beer enroute to bars), illegal parking (including an over-concentration of establishments where the primary purpose is the consumption of alcohol) by large numbers of patrons in the 1200 and 1300 Blocks of H Street, N.E.
  - ❖ In addition, the parking on residential streets has become a worry for fellow residents arriving home anytime after 4pm on any day and weekends become a parking nightmare for residents returning home from their activities.
  - ❖ Whereas, this Cooperative Agreement is meant to be a document designed to provide clear understanding to the licensed establishment, resident, police or government agency as to how all concerned wish for the laws on public safety and public health to be managed in relation to the consumer who will use the services of the establishment;

Now, Therefore, in consideration of the mutual covenants and conditions set forth below the Parties agree as follows:

Made this 20<sup>th</sup> day of October, 2009, by and between Andrew Agak, Traci Bush and Fred Agak; applicant of Double A Hospitality, Inc. trading as Drew's, Inc. and Cherie Mitchell, Lisa Greene, Eddie Curry, Luria Thompson, Robert Pittman, Helen Wood and Claude Labbe, hereby agree that:

- 1 Double A Hospitality, Inc. (hereinafter "Drew's") agrees to maintain the exterior areas adjacent to the restaurant including keeping the sidewalk, curbs<sup>1</sup>, and tree-box in front of the business and the alley behind the establishment well manicured and in accordance with Title 25, D.C. Code Enactment and Related Amendments Act of 2001 (25-726.) The establishment agrees to remove any visible debris from in front of the establishment at closing.
- 2 Drew's agrees to provide the names of the bar managers for the establishment and the names of those licensed as food handlers, upon request of the Protestants.
- 3 Drew's agrees that should the bar manager and licensed food handlers change, that the establishment will provide the Protestants with the names of the replacements via email, U.S. Mail or on a form presented to the establishment within 30 business days upon written request by the Protestants.

---

<sup>1</sup> Licensee agrees that cigarette buds and small debris will be cleaned up periodically (every 3 hours) through the course of the hours of operation and at closing or shortly thereafter.

## *Drew's, Inc. Cooperative Agreement*

- 4 The licensee agrees to comply with Title 25, D.C. Code Enactment and Related Amendments Act of 2001 (25-713) which stipulates, in part, that a licensee is to post notice, maintained in good repair and in a place clearly visible from the point of entry to the establishment, stating: (1) the minimum age requirement for the purchase of alcoholic beverages; and (2) the obligation of the patron to produce a valid identification document displaying proof of age upon request.
- 5 The licensee agrees to refuse to serve alcoholic beverages to patrons, who upon request, refuse to produce or can't produce a valid identification document to verify proof of age. Title 25, D.C. Code Enactment and Related Amendments Act of 2001 (25-101(53)), defines a valid identification document as an official identification issued by an agency of government (local, state, federal or foreign) containing, at a minimum, the name, date of birth, signature, and photograph of the bearer.
- 6 The licensee agrees to sound proof the walls, windows and summer garden to a level that sound cannot be heard from the establishment. The licensee agrees to comply with Title 25, D.C. Code Enactment and Related Amendments Act of 2001 (25-725) which stipulates, in part, that ABC licensees shall not produce any sound, noise, or music of such intensity that it may be heard beyond<sup>2</sup> the premises (beyond is reasonably applied in this agreement).
  - 6.1 The licensee agrees that if windows and/or doors are used for ventilation purposes, the licensee will recognize that the windows and doors shall be closed by 10:00p.m.<sup>3</sup> on any given night to prevent disturbing the neighbors. If it's a Sunday Brunch (Saturday) the licensee will ensure that windows that are open don't cause sound to penetrate the area and become noise.
  - 6.2 The licensee agrees to exercise due care to ensure such noise, especially from music, remains unobtrusive. Sound absorption materials and plants should be considered when erecting a summer garden, however the Protestants will not insist on this unless there are a number of complaints from residents. Noise will result from public chatter and/or background music.
  - 6.3 Sound from inside the establishment should not be audible from the center line of H Street, nor should sound be audible from the rear of the establishment in the Linden alley system. Sound shall not be heard from the 700-800 block of 12<sup>th</sup> or 13<sup>th</sup> Streets or from the 1200 block of Wylie Street or Linden Place.
- 7 The licensee agrees not to engage in competitive activity<sup>4</sup> through music or sound to attract patrons.

---

<sup>2</sup> "Beyond" is reasonably applied here, as it is the Protestants view that given the location in a commercial site, with recorded music or live bands should not be heard standing in the middle of H Street on the yellow line or should sound be heard in Linden's north alley or bounce over to Linden Place and G Street.

<sup>3</sup> This provision shall not conflict with clause 6.1 and it's clearly understood that there may be times when it may be appropriate to open the doors in the afternoon and or evening for whatever reason. In good faith it is the thought of the Protestants that at 10:00pm any opened window or door would be closed under any reasonable and normal daily operation.

<sup>4</sup> "Competitive activity" means using music, sound devices or other such methods to attract patrons on the street.

## *Drew's, Inc. Cooperative Agreement*

- 8 The licensee agrees that laser light shows, strobes and A-Frame signs to attract crowds will be prohibited.
- 9 The Protestants recognize that trash and debris will accumulate on and near the property that will not result from patrons of the establishment. It is agreed to by Drew's management team that the proprietor is legally responsible for any trash, debris, garbage and/or other unattended items left on or near the area, eighteen inches out from the curb or in the alley.
- 10 The licensee agrees to amend the CR application to reflect that there is a Summer Garden or patio present.
- 11 The licensee agrees that if there are verifiable complaints from neighbors in any given 90 day period before March 2013 (renewal period), the hours of operation for the Summer Garden will revert to 11PM.
- 12 The Applicant agrees to be cognizant of lighting and its effect beyond the premises, including its impact on residents immediately behind the establishment and the impact of signage along the corridor.
- 13 The licensee agrees to maintain a professional façade, with professionally made and installed signage. The licensee agrees to ensure that signage does not detract from residential property values. Signage will be consistent with appropriate neighborhood standards and will not be gaudy or outrageous in design.
- 14 The licensee agrees to maintain proper sanitation conditions both outside and on the premise.
  - 14.1 The licensee agrees to ensure that restrooms stay clean and sanitized at all times.
  - 14.2 The licensee agrees that the kitchen or food preparation area is always clean and sanitized. Holding areas for food shall observe the time and temperature rule.
  - 14.3 The licensee agrees that all boxes are collapsed and secured in dumpster with lid always closed. Further, the licensee will make sure that it sanitizes trash to minimize the attraction of rodents and insects. The licensee agrees that all crates and other stackable items are handled appropriately and are never stacked in the alleys.
  - 14.4 The licensee agrees to maintain contracts with licensed contractors for both refuse and grease removal.
  - 14.5 The licensee agrees that the emptying of glass, beer bottles, cans or anything else that makes noises will not occur after 9:30pm.

## *Drew's, Inc. Cooperative Agreement*

15 The licensee agrees that parking and congestion are serious issues that residents face as a result of 22 (twenty-two) establishments that attract crowds. The licensee will help the Protestants tackle the issue that affects both sides of H Street.

15.1 The licensee agrees that the staging for entertainers shall be done in a manner that does not impede traffic or block public space for lengthy periods<sup>5</sup> of time.

15.2 The licensee agrees to identify parking for entertainers and staff. Protestants and neighbors are willing to assist in this effort.

15.3 The licensee agrees to control delivery truck traffic and ensure where possible that alleyways and streets are not blocked.

15.4 The licensee will not impede the business or operation of Autozone in anyway. If parking is needed on Autozone's lot then the licensee shall seek written permission to use the Autozone lot.

15.5 The licensee agrees to ensure that participation of any valet service can identify where cars will be parked and will have a list of cars including tag numbers and locations of where the cars are being parked, which shall be available to Protestants on demand. In addition those cars shall not be parked on the following streets:

600-800 Block of 13 <sup>th</sup> Street, N.E.
600-800 Block of 12 <sup>th</sup> Street, N.E.
1200 Blocks of G Street, Wylie Street, N.E.
1200 Block of Linden Place and 1300 Block of Linden Court, N.E.

15.6 The licensee agrees that any transportation method used that involves buses or large vehicles will ensure that the vehicle does not idle their engines on H Street or surrounding residential streets (with the exception of loading/unloading).

15.6.1 The licensee will not park buses or large vehicles in front of the establishment for safety and security reasons.

15.7 The licensee will use whatever reasonable means to ensure that motorists idling their vehicles in front of establishment are asked to stop blaring music from cars.

15.8 The licensee will discourage double parking and parking on sidewalks and private property.

15.9 The licensee agrees that in the event there is a crowd in front of the establishment, they will not congregate or block the sidewalks, public streets or alleyways. The licensee agrees to take reasonable steps to remind patrons of the proper decorum.

15.10 The licensee agrees to monitor the area in front of 1245 H Street, around the corner of 13<sup>th</sup> Street to the alley behind 1245 H Street, N.E. to ensure that patrons of Drew's are not using the alley to park or for other activities.

15.11 The licensee agrees to encourage staff and patrons to be respectful of the residential neighborhoods. To the extent possible, the licensee will post a sign directed at patrons about parking and the need to lower voices when in the residential communities.

15.12 The licensee agrees to explore with the Protestants and other establishments, internet tools that can be used to change parking and other behaviors.

---

<sup>5</sup> The Protestants believe that parking large vans or tour buses on H Street and restricting the view of the establishment can cause security and safety concerns. The licensee will seek aid from the Protestants and the community should issues arise that the Licensee may not be able to resolve alone.

**Drew's, Inc. Cooperative Agreement**

Drew's agrees to maintain a log of calls placed to MPD and Emergency Medical Services (EMS), which shall be open to review by the Protestants, public safety and regulatory officials.
