Re: Boomerang Boat Tours, LLC,
holder of a Retailer's License
Class CX at premises
600 Water Street, S.W.

Dear Members of the Board:

Your above-referenced licensee presently operates one passenger-carrying marine vessel, the "Boomerang Boat."

The licensee is acquiring a second vessel, the "Boomerang Boat II," and requests hereby that this latter vessel be added to its license. We observe, in this regard, that multiple vessels may be operated under a single license. D.C. Code §25-113(h)(3).

The licensee's existing operations are governed by an Amended Voluntary/Cooperative Agreement with Advisory Neighborhood Commission 6D dated January 10, 2011.¹ That previous instrument limits the licensee to a single vessel. However, on October 15, 2012, the parties entered into a Second Amendment to Voluntary Agreement,

¹ Approved by the Board on January 26, 2011 (Order No. 2011-090).

a copy of which is submitted herewith, whereby the ANC concurred in addition of the Boomerang Boat II to the licensed fleet. As the ANC thus acquiesces in the instant request, we submit that extending the subject license so as to encompass a second vessel should not be deemed to constitute "a substantial change in the nature of the operation" of the subject business. DC Code §25-404(a).

Accordingly, the licensee respectfully requests that:

1. The Board review and approve the attached Second Amendment to Voluntary Agreement; and,
2. The Board approve, on a "no substantial change" basis, addition of the Boomerang Boat II to the licensee's fleet.

Please advise if further information is required in order to evaluate these requests.

In any event, the Board's early review of this submission is solicited and will be appreciated.

Respectfully submitted,

Stephen J. O'Brien

THIS AMENDED VOLUNTARY/COOPERATIVE AGREEMENT ("Agreement") is made on the 10th day of January 2011 by and between Boomerang Boat Tours LLC, t/a The Boomerang Boat, ABRA license #085705 ("Applicant"), and Advisory Neighborhood Commission 6D ("Protestant"), (collectively, the "Parties"). This amended voluntary agreement replaces the previous one dated October 18, 2010 (ABC Board Order 2010-520, November 3, 2010) and changes the passenger and seating capacity of the boat from 49 to 62.

WITNESETH

WHEREAS, Applicant has applied for a Retailer's Class CX Common Carrier (Marine Vessel) license for one (1) marine vessel operating under Boomerang Boat Tours LLC, as The Boomerang Boat ("Establishment") located at 600 Water Street, S.W., Washington, D.C. 20024 ("Premises"). The marine vessel is The Boomerang Boat, with a capacity of 62 passengers, with 62 seats; and

WHEREAS, applicant has also applied for entertainment and dancing endorsements on The Boomerang Boat; and

WHEREAS, Applicant will offer scheduled cruises and charters in rivers and waters of the District of Columbia, originating from and terminating at Diamond Teague Park in Southeast, Washington, DC, or the Georgetown waterfront, in Northwest, Washington DC. The usual duration of each trip is no more than three (3) hours. Catered light food and snacks will be available throughout the trip. Alcohol service can be provided immediately after leaving the dock and up to 15 minutes prior to returning to dock; and

WHEREAS, The Applicant's hours of operation, sales/service of alcoholic beverages, and entertainment/dancing shall be as follows:

- Sunday – 10:00 a.m. to 2:00 a.m.;
- Monday – Thursday 10:00 a.m. to 2:00 a.m.; and
- Friday and Saturday 10:00 a.m. to 3:00 a.m.

On days before holidays designated by the DC ABC Board as "Extended Hours for ABC Establishments," Applicant may operate, serve alcohol, and provide entertainment for one additional hour (that is, one hour later in the morning). OFFICE OF THE DISTRICT OF COLUMBIA
COMMISSIONER OF LICENSING AND REGULATION

WHEREAS, the Parties have agreed to enter into this Agreement and request that the Alcoholic Beverage Control Board ("ABC Board") approve the Applicant's license application conditioned upon the Applicant's compliance with the terms of this written Agreement; and

WHEREAS, the Parties are desirous of entering into a Voluntary Agreement pursuant to D.C. Official Code § 25-446 for the operation and maintenance of the Establishment in such a manner as to minimize the effect on (i) the peace, order and quiet of the neighborhood and (ii) pedestrian safety and vehicular traffic, and to eliminate the need for a Protest Hearing regarding the license application.

NOW, THEREFORE, in consideration of the recitals set forth above and the mutual covenants and conditions set forth below, the Parties agree as follows:

1. ***Recitals Incorporated.*** The recitals set forth above are incorporated herein by reference.
Any change from this model shall be considered to be a substantial change in operation and requires prior approval by the ABC Board.
2. ***Sidewalk Café.*** There is no sidewalk café; no food or alcohol service shall be available in the dock, pre-boarding or waiting areas.
3. ***Noise and Privacy.*** Applicant will strictly comply with D.C. Official Code § 25-725 and to that end shall take all necessary actions to ensure that music, noise and vibration from the Establishment are not audible within any of the properties or areas that the cruises pass by. Sound on the vessel shall be reduced when exiting and entering the Washington Channel, Georgetown area, and Anacostia River areas and shut off 5 minutes prior to landing and while at dockside. Applicant will take reasonable steps to reduce noise emanating from the Establishment from the opening of any doors during the cruises.
4. ***Parking/Valet Arrangements.*** It is a concern of ANC6D that the Applicant's operation of the Establishment does not create or exacerbate parking problems within the ANC boundaries. There is limited street parking adjacent to the Diamond Teague Park on days when Nationals Stadium is in use; however, on such days there is extensive off-street parking available. The Diamond Teague Park is within walking distance of the Navy Yard subway station. The Applicant shall include in all advertisements and information for patrons that there is limited street parking and that bus and subway service is nearby.
5. ***Public Space and Trash.*** Applicant shall keep the dock areas surrounding the berth of the marine vessel clean and free of litter, bottles, and other debris in compliance with D.C. Code and Municipal Regulations. Applicant shall monitor these areas sufficiently to assure that refuse and other materials are promptly removed or disposed of in secure containers maintained by the operator of Diamond Teague Park Marina.

6. ***Rats and Vermin Control.*** The operator of the Gangplank Marina provides professional rat and vermin control. Applicant shall have the Establishment and the area around the berth properly cleaned at the end of each night to ensure that there are not garbage and odors present the following morning.
7. ***Security Cooperation in Stemming Illegal Drugs and Public Drinking.*** Protestants are concerned that the nature of the business of the Applicant will not pose security and crime issues. Applicant agrees that it shall take all necessary steps to minimize such problems, including, without limitation, designating a sufficient number of employees to assure adequate security and to control unruly patrons, whether inside or in the immediate outside area; monitoring for and prohibiting sales or use of illegal drugs within or about the Premises, maintaining contact and cooperating with the Harbor Patrol and /or Metropolitan Police Department, the Coast Guard, and other enforcement officials when known or suspected drug activities occur. In accordance with Coast Guard requirements, Applicant's on-board personnel shall be trained in CPR and first aid.

Applicant shall maintain a log on the marine vessel to record any security incidents and include in the log: the nature of the incident, who was involved, and how it was resolved (e.g., cruise terminated, MPD/Harbor Patrol contacted). These logs shall be made available to representatives of the MPD and/or ABRA on request. Applicant shall to the full extent permissible by law discourage loitering in the vicinity of the marine vessel and dock. The Applicant shall ensure that there is no post-cruise activity continuing on the dock and that any persons who are congregating in that manner shall be asked to move along.

Applicant shall ensure that no alcoholic beverages are carried out of the marine vessel so that they can be consumed on public space or in a vehicle. Applicant shall make available phone numbers of local taxi services for the use of patrons.

8. ***License Ownership and Compliance with ABRA Regulations.*** Applicant promises to Protestants that it shall abide by all Alcoholic Beverage Regulations Administration (ABRA) regulations regarding the ownership of the license and all other provisions applicable to liquor licensees, and agrees that Protestants shall have standing to ask the ABC Board to enforce any violations of the agreement. On chartered tours, the caterer shall be responsible for initial ID (age) check, but the applicant is responsible for abiding by all provisions of ABRA regulations.
- 9.. ***Participation in the Community.*** Applicant agrees to seek to maintain open communication with the Protestants, and the community for which the ANC acts.
10. ***Notice and Opportunity to Cure.*** In the event that any of the parties is in breach of this Agreement, it shall be entitled to reasonable notice and opportunity to cure, as a condition precedent to seeking enforcement of the Agreement. Unless the breach is of an emergency nature or is a repetition of a prior breach, reasonable notice and opportunity shall provide for a cure within 30 days of the date of such notice. If Applicant or the licensee fails to cure within the 30-day period (or, with respect to a breach which reasonably requires more than 30-days to cure, fails to commence cure of such breach and diligently pursues such cure)

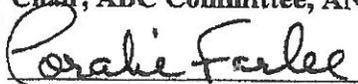

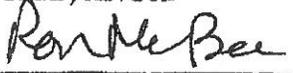

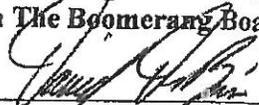

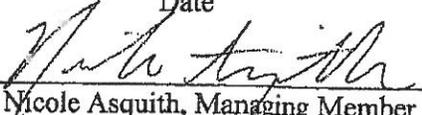

failure shall constitute a cause for seeking a Show Cause Order from the ABC Board pursuant to D.C. Official Code § 25-447. Unless otherwise noted above, any notices required to be made under this Agreement shall be in writing and mailed via certified mail, return receipt requested, postage prepaid, or hand-delivered, to the other parties to this Agreement at the following addresses. Re: Amendment to Voluntary Agreement between Boomerang Boat Tours LLC, t/a The Boomerang Boat, ABRA license #085705, and ANC6D.

This amendment to the Voluntary Agreement for The Boomerang Boat changes the passenger and seating capacity from 49 to 62, and replaces the Voluntary Agreement dated October 18, 2010, Board Order 2010-520, dated November 3, 2010.

The reason for the change in occupancy is that a slightly larger boat will be put in service; the original boat that had been purchased was defective. A new boat will replace that intended marine vessel.

The ANC6D, at its meeting on January 10, 2011, with a quorum present, (a quorum being four persons), voted 5 to 0 to accept this amendment for changed occupancy of The Boomerang Boat.

If you have questions about this motion, please contact Dr. Coralie Farlee, Chair, ABC Committee, ANC6D at cfarlee@mindspring.com or Bert Randolph, Administrative Assistant at office@anc6d.org.

VOLUNTARY/COOPERATIVE AGREEMENT

THIS VOLUNTARY/COOPERATIVE AGREEMENT ("Agreement") is made on the 18th day of October 2010 by and between Boomerang Boat Tours LLC, t/a The Boomerang Boat ("Applicant"), and Advisory Neighborhood Commission 6D ("Protestant"), (collectively, the "Parties").

WITNESETH

WHEREAS, Applicant has applied for a Retailer's Class CX Common Carrier (Marine Vessel) license for one (1) marine vessel operating under Boomerang Boat Tours LLC, as The Boomerang Boat ("Establishment") located at 600 Water Street, S.W., Washington, D.C. 20024 ("Premises"). The marine vessel is The Boomerang Boat, with a capacity of 49 passengers, with 49 seats; and

WHEREAS, applicant has also applied for entertainment and dancing endorsements on The Boomerang Boat; and

WHEREAS, Applicant will offer scheduled cruises and charters in rivers and waters of the District of Columbia, originating from and terminating at Diamond Teague Park in Southeast, Washington, DC, or the Georgetown waterfront, in Northwest, Washington DC. The usual duration of each trip is no more than three (3) hours. Catered light food and snacks will be available throughout the trip. Alcohol service can be provided immediately after leaving the dock and up to 15 minutes prior to returning to dock; and

WHEREAS, The Applicant's hours of operation, sales/service of alcoholic beverages, and entertainment/dancing shall be as follows:

- Sunday – 10:00 a.m. to 2:00 a.m.;
- Monday – Thursday 10:00 a.m. to 2:00 a.m.; and
- Friday and Saturday 10:00 a.m. to 3:00 a.m.

On days before holidays designated by the DC ABC Board as "Extended Hours for ABC Establishments," Applicant may operate, serve alcohol, and provide entertainment for one additional hour (that is, one hour later in the morning). On New Year's Eve, Applicant may operate, serve, and provide entertainment until 4am.

WHEREAS, the Parties have agreed to enter into this Agreement and request that the Alcoholic Beverage Control Board ("ABC Board") approve the Applicant's license application

conditioned upon the Applicant's compliance with the terms of this written Agreement; and

WHEREAS, the Parties are desirous of entering into a Voluntary Agreement pursuant to D.C. Official Code § 25-446 for the operation and maintenance of the Establishment in such a manner as to minimize the effect on (i) the peace, order and quiet of the neighborhood and (ii) pedestrian safety and vehicular traffic, and to eliminate the need for a Protest Hearing regarding the license application.

NOW, THEREFORE, in consideration of the recitals set forth above and the mutual covenants and conditions set forth below, the Parties agree as follows:

1. **Recitals Incorporated.** The recitals set forth above are incorporated herein by reference.
Any change from this model shall be considered to be a substantial change in operation and requires prior approval by the ABC Board.
2. **Sidewalk Café.** There is no sidewalk café; no food or alcohol service shall be available in the dock, pre-boarding or waiting areas.
3. **Noise and Privacy.** Applicant will strictly comply with D.C. Official Code § 25-725 and to that end shall take all necessary actions to ensure that music, noise and vibration from the Establishment are not audible within any of the properties or areas that the cruises pass by. Sound on the vessel shall be reduced when exiting and entering the Washington Channel, Georgetown area, and Anacostia River areas and shut off 5 minutes prior to landing and while at dockside. Applicant will take reasonable steps to reduce noise emanating from the Establishment from the opening of any doors during the cruises.
4. **Parking/Valet Arrangements.** It is a concern of ANC6D that the Applicant's operation of the Establishment does not create or exacerbate parking problems within the ANC boundaries. There is limited street parking adjacent to the Diamond Teague Park on days when Nationals Stadium is in use; however, on such days there is extensive off-street parking available. The Diamond Teague Park is within walking distance of the Navy Yard subway station. The Applicant shall include in all advertisements and information for patrons that there is limited street parking and that bus and subway service is nearby.
5. **Public Space and Trash.** Applicant shall keep the dock areas surrounding the berth of the marine vessel clean and free of litter, bottles, and other debris in compliance with D.C. Code and Municipal Regulations. Applicant shall monitor these areas sufficiently to assure that refuse and other materials are promptly removed or disposed of in secure containers maintained by the operator of Diamond Teague Park Marina.
6. **Rats and Vermin Control.** The operator of the Gangplank Marina provides professional rat and vermin control. Applicant shall have the Establishment and the area around the

berth properly cleaned at the end of each night to ensure that there are not garbage and odors present the following morning.

7. ***Security Cooperation in Stemming Illegal Drugs and Public Drinking.*** Protestants are concerned that the nature of the business of the Applicant will not pose security and crime issues. Applicant agrees that it shall take all necessary steps to minimize such problems, including, without limitation, designating a sufficient number of employees to assure adequate security and to control unruly patrons, whether inside or in the immediate outside area; monitoring for and prohibiting sales or use of illegal drugs within or about the Premises, maintaining contact and cooperating with the Harbor Patrol and /or Metropolitan Police Department, the Coast Guard, and other enforcement officials when known or suspected drug activities occur. In accordance with Coast Guard requirements, Applicant's on-board personnel shall be trained in CPR and first aid.

Applicant shall maintain a log on the marine vessel to record any security incidents and include in the log: the nature of the incident, who was involved, and how it was resolved (e.g., cruise terminated, MPD/Harbor Patrol contacted). These logs shall be made available to representatives of the ANC, MPD and/or ABRA on request. Applicant shall to the full extent permissible by law discourage loitering in the vicinity of the marine vessel and dock. The Applicant shall ensure that there is no post-cruise activity continuing on the dock and that any persons who are congregating in that manner shall be asked to move along.

Applicant shall ensure that no alcoholic beverages are carried out of the marine vessel so that they can be consumed on public space or in a vehicle. Applicant shall make available phone numbers of local taxi services for the use of patrons.

8. ***License Ownership and Compliance with ABRA Regulations.*** Applicant promises to Protestants that it shall abide by all Alcoholic Beverage Regulations Administration (ABRA) regulations regarding the ownership of the license and all other provisions applicable to liquor licensees, and agrees that Protestants shall have standing to ask the ABC Board to enforce any violations of the agreement. On chartered tours, the caterer shall be responsible for initial ID (age) check, but the applicant is responsible for abiding by all provisions of ABRA regulations.
9. ***Participation in the Community.*** Applicant agrees to seek to maintain open communication with the Protestants, and the community for which the ANC acts.
10. ***Notice and Opportunity to Cure.*** In the event that any of the parties is in breach of this Agreement, it shall be entitled to reasonable notice and opportunity to cure, as a condition precedent to seeking enforcement of the Agreement. Unless the breach is of an emergency nature or is a repetition of a prior breach, reasonable notice and opportunity shall provide for a cure within 30 days of the date of such notice. If Applicant or the licensee fails to cure within the 30-day period (or, with respect to a breach which reasonably requires more than 30-days to cure, fails to commence cure of such breach and diligently pursues such cure) failure shall constitute a cause for seeking a Show Cause Order from the ABC Board

pursuant to D.C. Official Code § 25-447. Unless otherwise noted above, any notices required to be made under this Agreement shall be in writing and mailed via certified mail, return receipt requested, postage prepaid, or hand-delivered, to the other parties to this Agreement at the following addresses. Notice shall be deemed given as of the time of receipt or refusal of receipt:
