RESERVATIONS	<ul style="list-style-type: none"> Indoor & Outdoor Establishments are required to implement a reservation system. Reservations may be done online, by phone, or on-site—or a combination of all three. Contact information for at least one (1) person from each party should be collected to assist DC Health with contact tracing as needed.

PHASE TWO | ABC FAQs

Answers to frequently asked questions are detailed below and are regularly updated at abra.dc.gov.

Question (Q). Do I have to register to reopen indoors?

Answer (A). No. Establishments are not required to register with the District to reopen their existing indoor space or licensed sidewalk cafe or summer garden. [Establishments that want to add new or expand outdoor dining space in public or private space must register with the District at coronavirus.dc.gov/phaseone](https://coronavirus.dc.gov/phaseone). Public space applications are subject to approval by DDOT.

Q. Is reopening my establishment during Phase Two optional?

A. Yes. Reopening is at the discretion of each individual licensee. Additionally, under current law, a licensee that ceases operations or closes its premises for 21 or more days is required to place their ABC license in safekeeping. The ABC Board has delayed the tolling of the 21-day period until the public health emergency has ended.

Q. Does the 50 percent indoor occupancy limit include employees or outdoor space?

A. No.

Q. What are the permitted service hours for indoor dining?

A. You may offer limited indoor dining between the hours of 8:00 a.m. and midnight, daily. To clarify further, patrons may not be seated for indoor dining before 8:00 a.m. nor may they remain on-premises after midnight even if they have not finished their meal. Staff are encouraged to inform patrons of the required closure time before seating them.

Q. What are the permitted hours for carry-out and delivery?

A. Alcohol may be sold for carry-out and delivery with at least one (1) prepared food item between 7:00 a.m. to 12:00 a.m., daily. Advance registration with ABRA is required. Unless otherwise prohibited by Board Order or a Settlement Agreement, a licensee may engage in food carry-out sales and curbside delivery of food during the hours of operation listed on their license. To the extent possible, it is recommended that patrons wait outside a minimum of six (6) feet apart while waiting to receive their carry-out food order from the establishment.

Q. Can I still operate my new or expanded outdoor seating?

A. Yes, new or expanded outdoor space that has been registered with the District can be utilized until October 25, 2020.

Q. Can patrons be seated at an indoor or outdoor bar?

A. Yes, provided parties are seated a minimum of six (6) feet from each other. Bartenders may not staff or prepare food or drink orders at bars made available for guest seating.

Q. Can I seat guests at communal tables?

A. Yes. Parties must be seated at least six (6) feet apart from another and six (6) feet divisions must be clearly marked by tape or another application that discourages tampering.

Q. What qualifies as a prepared food item?

A. Prepared food is considered food that has been assembled such as a sandwich, salad, smoothie, etc. Prepackaged items such as chips and cookies can be ordered in addition to prepared food but do not satisfy the prepared food requirement.

Q. Can a chalkboard, sandwich board, or digital menu be used to satisfy the menu requirement?

A. Yes.

Q. Is live music or entertainment permitted indoors or outdoors.

A. No. Only background and recorded music is permitted that is played at a conversational level that cannot be heard inside residences.

Q. Can I serve guests alcoholic beverages while they wait to be seated?

A. No. All guests must be seated at tables or the bar when taking or serving their food or drink orders.

Q. Am I allowed to serve a patron whose DC-issued license has expired during the public health emergency?

A. DC Department of Motor Vehicles has extended the expiration date for all documents expiring March 1 through the duration of the health emergency, including driver licenses and non-driver identification cards.
