Only the following can apply for a stipulated license for a new, transfer to a new location, or substantial change application:

- Wholesalers with class A and B licenses; and
- Retailers with class A, B, C, and D licenses.

In order to request a stipulated license, an applicant must submit the following to the Alcoholic Beverage Control Board:

- A written request that includes the applicant's name, trade name, and address of the premises; and
- A letter from the Advisory Neighborhood Commission (ANC) that is signed by the chairperson and showing that the ANC voted—with a quorum—in support of or not objecting to the stipulated license request.

PLACARD REQUIREMENTS

License applications for retailers are subject to a 45-day placard period during which the community can protest the application. Applications that are not protested generally take 12 weeks to be issued, if approved. Upon acceptance of your application, a licensing specialist will provide you with placards and instructions for the advertisement of the application. An applicant for a new retailer's license or one to be transferred to a new location must provide notice to the public 45 days prior to receiving the license.
