

**ALCOHOLIC BEVERAGE REGULATION ADMINISTRATION  
ALCOHOLIC BEVERAGE CONTROL BOARD**

**NOTICE OF EMERGENCY RULEMAKING**

The Alcoholic Beverage Control Board (Board), pursuant to the authority set forth in the Omnibus Alcoholic Beverage Amendment Act of 2004, effective September 30, 2004 (D.C. Law 15-187; D.C. Official Code § 25-211(c) (2012 Repl. & 2019 Supp.)) and D.C. Official Code § 25-502 (2012 Repl. & 2019 Supp.), and Mayor's Order 2001-96, dated June 28, 2001, as amended by Mayor's Order 2001-102, dated July 23, 2001, gives notice of its intent to amend Chapter 10 (Endorsements) of Title 23 (Alcoholic Beverages) of the District of Columbia Municipal Regulations (DCMR). The emergency rulemaking will allow on-premises retailer's licenses and manufacturer licenses, class A or B, holding an on-site sales and consumption permit, or a Convention Center food and alcohol business to register with the Board to sell, serve, and allow the consumption of alcoholic beverages on new or expanded outdoor public and private space not listed on its license.

On May 27, 2020, Mayor Bowser issued Mayor's Order 2020-067, which announced that the District has entered Phase 1 of Washington DC's reopening. Among other things, Mayor's Order 2020-067 partially lifts the restriction prohibiting on-site dining by allowing restaurants, taverns, nightclubs, mixed-use facilities and other licensed food establishments to offer table service to seated patrons on outdoor public or private space. The Board interprets the phrase mixed-use facilities to include hotels, multipurpose facilities, private clubs and other class CX and DX licensees, and licensed manufacturers that serve food and satisfy the requirements set forth below.

In light of Mayor's Order 2020-067, the Board finds that emergency action is warranted to allow ABRA licensees who either seek to expand existing outdoor space or who do not presently have outdoor public or private space on their licenses to register with the Board so that they may be able to sell, serve, and allow the consumption of alcoholic beverages on new or expanded outdoor public or private space. The Board finds that emergency action is also warranted in order to allow as many qualifying ABC licensed establishments to return to operation as possible in accordance with the Mayor's Order. This emergency rulemaking, however, will not allow these licensees to sell, serve, or allow the consumption of alcoholic beverages inside of the establishment; thus, continuing to protect the public health by prohibiting the sale, service, and consumption of alcoholic beverages indoors.

Thus, on May 28, 2020, the Board adopted the *Addition of Outdoor Public and Private Space Notice of Emergency Rulemaking*, by a vote of seven (7) to zero (0). This rulemaking shall remain in effect for the duration of the Extensions of Public Emergency and Public Health Emergency but in no event longer than one hundred twenty (120) days from the Board's adoption; expiring on or before September 25, 2020, unless superseded. The emergency rulemaking shall take effect on Friday, May 29, 2020.
