3 CHAIRPERSON ANDERSON: We're back on
4 the record.

5 Our next case is another fact finding
6 hearing, Case Number 19-251-00068, Hawthorne,
7 License Number 99603.

8 Would all parties please appear and
9 identify themselves for the record, please.

10 MR. BROGAN: Mr. Chairman, Francis
11 Brogan and Stefan Vasilis on behalf of the
12 licensee.

13 CHAIRPERSON ANDERSON: What's your last
14 name?

15 MR. BROGAN: Brogan, Francis Brogan.

16 CHAIRPERSON ANDERSON: No, what did you
17 say after that?

18 MR. BROGAN: I'm sorry. I gave his
19 name.

20 CHAIRPERSON ANDERSON: Oh. Oh, okay,
21 that's why. Okay, good afternoon.

22 MR. VASILIS: I'm Stefan Vasilis.

1 CHAIRPERSON ANDERSON: Good afternoon.
2 I apologize.

3 MR. RUIZ: ABRA Investigator Mark Ruiz.

4 CHAIRPERSON ANDERSON: Good afternoon,
5 Mr. Ruiz.

6 All right. We're here today because
7 of an incident that occurred at the
8 establishment. And as a result of ABRA's
9 investigation of the event there's some
10 determination that maybe the establishment did
11 not act appropriately.

12 The purpose of this fact finding
13 hearing today is basically to gather the facts.
14 The Board has not made any determination what
15 further action, if any, will be made. At the end
16 of this hearing the Board will determine whether
17 or not we will NFA this or whether or not we will
18 make a request to the Office of Attorney General
19 for further investigation.

20 So that's basically where we are. So,
21 a fact finding hearing is just gathering facts.
22 The Board can't ask legally, order you to do

1 anything. We can ask -- you can volunteer to do
2 certain things here but the Board cannot order
3 you. And if requests are made to you to do
4 something, if you don't think it's necessarily in
5 your best interests you don't have to agree
6 because we can't order you.

7 And the Board should not take, take
8 your refusal to do something if it's asked as any
9 way. I'm just saying we can't order you to do
10 anything at a fact finding hearing. At the show
11 cause we can order you, as I explained.

12 But I just wanted to explain to you
13 this is the process of how we are today.

14 So, Supervisory Investigator
15 Brashears, if you can identify yourself for the
16 record, please.

17 MR. BRASHEARS: Supervisory
18 Investigator Mark Brashears with ABRA.

19 CHAIRPERSON ANDERSON: Good afternoon,
20 sir.

21 Mr. Ruiz, are you familiar with this
22 establishment?

1 MR. RUIZ: Yes.

2 CHAIRPERSON ANDERSON: And how are you
3 familiar with this establishment, sir?

4 MR. RUIZ: I was assigned the case on
5 April 5th for an MPD-251 investigation.

6 CHAIRPERSON ANDERSON: So, can you
7 please explain to us what, what it is that -- can
8 you just explain the events and what conclusions,
9 if any, did you formulate as a result of your
10 investigation?

11 MR. RUIZ: I was sent to an MPD-251 on
12 April 5th, Friday, 2019. MPD-251 states that a
13 subject, identified RP 1, flagged down MPD
14 officers in a car for disorderly inside an
15 establishment.

16 Upon the police review of video
17 footage RP 1, the subject, was seen exchanging
18 words with an unknown citizen inside, which
19 resulted in the subject pushing the other unknown
20 citizen with both hands.

21 RP 1 sustained a small laceration
22 above the left eye and head pain, and result

1 public disorderly. Security and other personnel
2 were able to split and send all parties away from
3 the establishment off the PD-251.

4 During the investigation I was able to
5 visit the establishment, Hawthorne, on Saturday,
6 April 13th, 2019, where I met with ABC Manager
7 Mike Jones in regard to the incident and to
8 conduct regulatory inspection.

9 Mr. Jones recalled the incident,
10 stated that it involved a -- the subject that was
11 extremely bloody but was being uncooperative and
12 refused, well, he refused medical treatment.

13 He said that both parties were
14 separated, went to opposite directions, and
15 escorted out of the establishment. The one
16 individual that caused the injuries to the
17 subject was unable to be located after that.

18 Also during that, Mr. Jones was able
19 to also provide us with video surveillance of the
20 incident and as well as their incident report
21 from their Gmail where they keep their electronic
22 incident reports.

1 I talked with Mr. Jones, discussed
2 some security procedures for the night of the
3 incident. They say that there were 9 security
4 personnel in attendance, provided by a third
5 party, a security company known as NNB Security
6 Agency. Security personnel were identified by
7 being uniformed with a black polo with security
8 company's logo on the left chest area with NNB
9 letters.

10 Some security employees may also have
11 "crowd control" or "Security" on the back of
12 their polo.

13 The establishment had 49 security
14 cameras in operation that had footage available
15 for 11 days before being deleted. And in-house
16 employees conduct I.D. checks upon entering the
17 establishment through the front door and conducts
18 bag checks. Security does not conduct pat-downs
19 of patrons.

20 I was also able to speak with Justin
21 More, who is the head of security for the
22 security company NNB, which stated that none of

1 his security staff were involved in diffusing the
2 altercation. The altercation was diffused by two
3 patrons at the bar nearby who were able to
4 separate both parties, at which time management,
5 Mr. Jones and another individual, was able to
6 tend to the injured person in a back bathroom who
7 was the only person left in the establishment.

8 The other subject was escorted away
9 from the scene, unknown, was able to leave the
10 establishment without being identified.

11 During, during the -- that's all,
12 that's all the information I was able to get for
13 then.

14 April 17th I was able to speak with the
15 injured, injured patron who was identified by
16 police as Mr. Sentisi(phonetic). He stated he
17 believed the incident to be racially motivated.
18 He was conversing with other friends in his
19 native language when this other patron walked by
20 and stated to him, Get out of here, you don't
21 belong here.

22 At which time Mr. Sentisi stated that

1 he felt uncomfortable. He did state he pushed
2 the other patron back because he was too close to
3 him. And then that's when the other patron threw
4 five punches into his face, knocking him down.

5 Mr. Sentisi stated that he was told by
6 management that he was scaring the other patrons
7 and that he had to leave immediately. At which
8 time they led him down the rear steps through a
9 kitchen. He said he was concerned with the
10 establishment's lack of medical assistance and
11 urgency to remove him from the premises.

12 Mr. Sentisi stated, while walking down
13 the steps he received a band-aid and napkins from
14 someone who he identified as a busboy.

15 Mr. Sentisi also stated once he
16 reached the sidewalk he saw an MPD patrol vehicle
17 across the street and waved them over at this
18 time. He also spoke to them. They had an
19 ambulance respond. Mr. Sentisi refused to go
20 with the ambulance, and drive himself to Howard
21 Hospital at 12:30 a.m.

22 Mr. Sentisi stated he was diagnosed

1 with a minor concussion and contusions.

2 During the investigation I conducted
3 a regulatory inspection. There was a settlement
4 agreement and a security plan involved. There
5 was a settlement agreement which also stated that
6 they were supposed to submit a security plan, but
7 the time of the ABRA's records reflect at that
8 time there was not one in the file.

9 And then the settlement agreement was
10 not available at the time of the inspection, nor
11 did Mr. Jones know what the settlement agreement
12 was.

13 So, going back to the office, checking
14 out the records, I was able to locate the
15 settlement agreement and find that they were
16 supposed to have a security plan as well.

17 I did recently check the ABRA records,
18 and a security plan has since been submitted.
19 I'm not sure exactly what date or that time.

20 That's my findings.

21 CHAIRPERSON ANDERSON: So as a result
22 of the incident investigation did you -- was

1 there any determination made whether or not the
2 establishment had violated, had committed any
3 infraction as a result of this incident?

4 MR. RUIZ: I determined they violated
5 25-711 DC Official Code, person carrying a
6 license for not having the settlement agreement
7 available at the time for review during the
8 inspection, and failing to follow settlement
9 agreement by not submitting a security plan to
10 ABRA.

11 CHAIRPERSON ANDERSON: And those are
12 the only two violations that you --

13 MR. RUIZ: Yes, that we saw.

14 CHAIRPERSON ANDERSON: Mr. Brogan, what
15 is it, if anything, you want to provide? Mr.
16 Brogan, what, if anything, do you want to provide
17 to the Board regarding this incident and your
18 establishment's response?

19 MR. BROGAN: Sure, Mr. Chairman. Well,
20 first, on the security plan, our records show
21 that we did submit this plan to ABRA. But we
22 went ahead and filed it again. I have

1 confirmation from Ms. Randall from last week that
2 it's been received and approved by the ABRA
3 Board. We went ahead and refiled it. That is on
4 record.

5 CHAIRPERSON ANDERSON: Do you recall
6 when was that?

7 MR. BROGAN: Ms. Randall approved it
8 last Friday. We got the letter from ABRA last
9 week and we refiled it as soon as we received the
10 letter.

11 CHAIRPERSON ANDERSON: Okay.

12 MR. BROGAN: Secondly, when it comes to
13 the settlement agreement, our settlement
14 agreement's kind of a confusing document. It's
15 consisting of a voluntary agreement, a settlement
16 agreement, and two Board orders. So it is
17 hanging in our establishment. I think there was
18 some confusion on when the investigator asked our
19 manager because, frankly, it's a complicated
20 document but we do have it hanging on the
21 premises.

22 We've now moved it up to where it's

1 next to our liquor license. So, in the future if
2 any city officials ask for it, it's directly next
3 to our liquor license.

4 But I brought with us our director of
5 operations Stefan Vasilis. And every time we
6 hire a manager of our company Stefan goes through
7 that document with them, so they are aware of the
8 items in that document.

9 Our voluntary agreement primarily
10 deals with the noise on our rooftop. We
11 previously were the New Town licensee which
12 before we took over I think received 75 ABRA
13 complaints in one year, which at the time was a
14 record. Since we took it over we've had no noise
15 complaints.

16 We have a great relationship with our
17 neighbors. I think that shows that, you know, we
18 understand what's in the agreement and we abide
19 by it every day. That's why we don't have issues
20 with our neighbors, unlike the previous licensee
21 in the establishment.

22 CHAIRPERSON ANDERSON: So, what was

1 this event? What was the incident that occurred?

2 MR. BROGAN: Sure. So to the best of
3 our knowledge -- by the way, I've spoken to Mr.
4 Investigator Ruiz that morning. I sent an email.
5 I coordinated with him to make sure that he
6 received the footage. So we wanted, of course,
7 to make sure that ABRA quickly got the
8 information.

9 I also explained the confusion about
10 the settlement agreement versus voluntary
11 agreement since our managers use different
12 language. But I quickly within a few hours of
13 the incident spoke with Investigator Ruiz.

14 But to the best of our knowledge it
15 looks like two patrons got into it. We quickly
16 separated them. One left. Because of our
17 location, where right outside this building at
18 14th and U there's MPD outside our front door
19 every single Friday and Saturday night. So
20 police were quickly notified. But, you know, the
21 first person had already taken off at that point.

22 So, again, you know, we have a

1 security plan we've reinforced with our staff.
2 We want to make sure that everyone is kept safe
3 while on the premises. But it looks like two
4 customers just engaged in an agree --
5 disagreement.

6 As the investigator said, we had 9
7 security officers on hand. We staffed basically
8 twice what ABRA's recommendation guidelines are
9 for a building of our size. We take security
10 very seriously. It's a big cost, but we also
11 want to make sure there's plenty of security both
12 to prevent fights and also to prevent
13 overcrowding.

14 CHAIRPERSON ANDERSON: Is there, based
15 on the incident is there anything that you
16 believe that your establishment could have done
17 better?

18 MR. BROGAN: Yeah. I'm a little
19 concerned with the customer went out through the
20 kitchen. I think our, our internal report shows
21 he walked out the front door, that's how he was
22 able to speak with the police outside the door.

1 But we reinforced, as well as our security plan
2 filed, that, you know, 911 have to be called. We
3 can't just wait for the police even though
4 they're outside, to call. And also to preserve a
5 crime scene.

6 You know, we did ask this individual
7 if he wanted medical attention. You know, he
8 declined. But, you know, we probably should have
9 called 911 regardless. And we make sure to train
10 our staff with that.

11 CHAIRPERSON ANDERSON: Any other? Any
12 questions by any other board members?

13 Yes, Mr. Short.

14 MEMBER SHORT: What was the injury to
15 the person? And how did you deal with it?

16 MR. BROGAN: So, I believe he had -- he
17 was hit in the face, so I think it was a bloody
18 nose. I believe Mr. Ruiz's report says that I
19 think he had contusions and a minor concussion.

20 MEMBER SHORT: So if he had went
21 outside and, although he refused when you wanted
22 to treat him, did the EMS people look at him?

1 MR. BROGAN: No.

2 MEMBER SHORT: He refused or did you
3 call EMS?

4 MR. BROGAN: He said he wanted to go to
5 the hospital himself. We're pretty close to
6 Howard Hospital, so he took himself to the
7 hospital.

8 MEMBER SHORT: I understand that.

9 Supposing he walked to the next
10 intersection and fallen and died, would you have
11 had any culpability for that?

12 MR. BROGAN: Yes, sir. Yeah.

13 MEMBER SHORT: So the next time will
14 you call EMS before you do that?

15 MR. BROGAN: Yes, sir.

16 MEMBER SHORT: If he still want to
17 leave, that's on him, but at least you've done
18 your part and you cover yourself in case you're
19 doing anything.

20 How many, how many, how many --
21 what's your occupancy on the rooftop?

22 MR. BROGAN: On our rooftop, I believe

1 55.

2 CHAIRPERSON ANDERSON: You mentioned
3 something about a little crowding on the rooftop
4 a minute ago?

5 MR. BROGAN: Just we're a very vertical
6 building. We have five stories. So we have
7 security on all the staircases to ensure that
8 there's not overcrowding on any of the floors.

9 MEMBER SHORT: How do you know how many
10 occupants you have in your restaurant at any one
11 time?

12 MR. BROGAN: So, we have clickers at
13 the front door and we also have clickers on the
14 rooftop to track all who's coming in.

15 MEMBER SHORT: Great answer.

16 No further questions, Mr. Chair.

17 CHAIRPERSON ANDERSON: Any other
18 questions by any other board members?

19 (No response.)

20 CHAIRPERSON ANDERSON: Mr. Ruiz, any
21 final comments that you want to make regarding
22 the establishment?

1 MR. RUIZ: No, sir.

2 CHAIRPERSON ANDERSON: Mr. Brogan, any
3 final comments you want to make?

4 MR. BROGAN: No, sir.

5 CHAIRPERSON ANDERSON: You were saying
6 that your security plan is now -- I'm sorry, that
7 your settlement agreement is that it's posted
8 next to your license up front?

9 MR. BROGAN: Yes.

10 CHAIRPERSON ANDERSON: So, and I guess
11 you said your staff is familiar with the
12 terminology utilized, so therefore everyone's
13 speaking the same language?

14 MR. BROGAN: Yes.

15 CHAIRPERSON ANDERSON: And you have now
16 stated, you stated that we had informed you that
17 you didn't have a security plan on file, but you
18 have now provided ABRA with, with the security
19 plan, and the legal staff has accepted that?

20 MR. BROGAN: Yes. I have a copy of
21 that. Ms. Randall approved it last week.

22 CHAIRPERSON ANDERSON: All right. I

1 don't really have any other questions.

2 So I will, based on the presentation
3 today I will make a motion that we take no
4 further action.

5 Is there a second?

6 MEMBER SHORT: Second.

7 CHAIRPERSON ANDERSON: Mr. Short has
8 seconded the motion.

9 All those in favor, say aye.

10 (Chorus of ayes.)

11 CHAIRPERSON ANDERSON: Those opposed?

12 (No response.)

13 CHAIRPERSON ANDERSON: The matter is
14 passed 5-0-0.

15 Thank you for being here today. And
16 thank you for your responses, sir. Have a great
17 day.

18 MR. BROGAN: Thank you.

19 (Whereupon, at 3:48 p.m., the above-
20 entitled matter was concluded.)
