ORDER ON AMENDMENT TO SETTLEMENT AGREEMENT

The Capital Wine School, LLC, t/a The Capital Wine School (Licensee), filed an Application for a Substantial Change to change its class from Retailer's Class DT License to Retailer's Class CT License. The official records of the Alcoholic Beverage Control Board (Board) reflect that the Licensee and ANC 3E entered into Settlement Agreement (Agreement), dated April 12, 2011, that governs the operation of the Licensee's establishment. This matter comes now before the Board to consider the Parties' Amendment to Settlement Agreement (Amendment), dated October 15, 2014, in accordance with D.C. Official Code § 25-446 (2001).

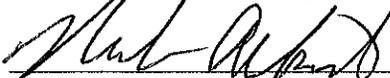

The Agreement has been reduced to writing and has been properly executed and filed with the Board. The Licensee and Chairperson Matthew Frumin, on behalf of ANC 3E, are signatories to the Amendment.

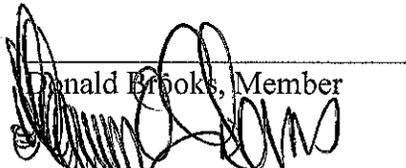

Accordingly, it is this 29th day of October, 2014, **ORDERED** that:

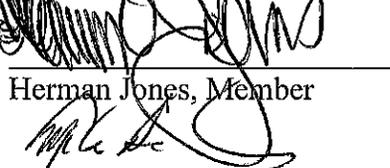

1. The above-referenced Amendment to Settlement Agreement, dated October 15, 2014, submitted by the Parties to govern the operations of the Licensee's establishment is **APPROVED** and **INCORPORATED** as part of this Order;
2. All terms and conditions of the original Agreement, not amended by the Amendment, shall remain in full force and effect; and
3. Copies of this Order shall be sent to the Licensee and ANC 3E.

However, the timely filing of a Motion for Reconsideration pursuant to D.C. Official Code § 25-433, stays the time for filing a petition for review in the District of Columbia Court of Appeals until the Board rules on the motion. See D.C. App. Rule 15(b).

**Voluntary Agreement between Advisory Neighborhood Commission 3E and
the Capital Wine School, ABRA case 086613**

On April 12, 2011, the Capital Wine School LLC (the "Applicant") entered into a Voluntary Agreement with ANC 3E as a condition of support for its application for a Retailer's D Tavern license to enable it to teach courses on wine and serve and sell wine on the premises as part of those classes. The voluntary agreement limited the use of the license for that purpose.

Applicant now seeks a substantial change to that license to convert it to a Retailer's C Tavern license in order to authorize it to teach course on spirits as well as wine and serve and sell spirits and wine as part of those classes.

Given the broadened use of the premises -- adding classes in spirits -- the parties are updating the voluntary agreement to authorize that use and reflect the change in the license. As such, the applicant agrees that the requested license -- which will be a Retailer's C Tavern license -- will be used solely to operate a wine and spirits school and such requirement will convey with the license.

Applicant also agrees to discourage students from commuting via automobile, motorcycle, or Vespa and will work to address any parking issues for those who would drive.
